**Sec. 3. Report.** On or before February 1, 1997, the school systems affected by this Act shall submit a report prepared by the system's independent financial auditor to the Department of Education and the joint standing committee of the Legislature having jurisdiction over education matters. The report must describe the effect of this Act during each of the fiscal years that have been completed since enactment of this Act by comparing how the affected schools were actually funded with how the same schools would have maximized combined federal and state funding under applicable laws without the amendment to the Maine Revised Statutes, Title 30, section 6211 made by this Act, listing for each alternative the number of students at each affected school for which federal financial support was or would have been received, the program under which it was or would have been received, the amount of the financial support and the impact of those federal funds upon the state educational subsidy computed under the then-existing state law governing school financing. The Department of Education shall also submit a report by February 1, 1997 to the joint standing committee of the Legislature having jurisdiction over education matters describing the effect of this Act in each of the fiscal years that have been completed since enactment of this Act.

If this Act does not become effective before the beginning of that fiscal year, this Act applies retroactively to state education funding beginning in fiscal year 1992-93.

Effective date.** This Act does not take effect unless, within 60 days after adjournment of the Legislature, the Secretary of State receives written notification by the Joint Tribal Council of the Passamaquoddy Tribe and by the Governor and council of the Penobscot Nation that the tribe and nation have agreed to the provisions of this Act pursuant to 25 United States Code, section 1725(e)(1), copies of which must be submitted by the Secretary of State to the Secretary of the Senate and the Clerk of the House of Representatives.
