3. Rejection of application; selection of alternate licensee. If the commission denies an application for renewal of an agency liquor store license, the commission may select an alternate licensee in accordance with the criteria set forth in sections 453, 453-A and 453-B. If the alternate licensee held an agency liquor store license in the past, the commission may consider any of the applicable criteria set forth in subsection 2 in considering whether to license the alternate agency liquor store.

4. Purchase of store merchandise by State. If the commission does not renew the agency liquor store license, the commission shall purchase from the agency liquor store all resalable spirits held in inventory by the agency liquor store. The purchase price is the cost at which that agency liquor store purchased the spirits from the commission, minus 10% of that cost.

5. Aggrieved applicant. Any agency liquor store licensee aggrieved by a decision of the commission not to renew an agency liquor store license may appeal the decision by filing a complaint with the Administrative Court and serving a copy of that complaint on the commission. Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the State is experiencing severe economic troubles; and

Whereas, it is vital to increase revenue whenever feasible; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 17-A MRSA §1204, sub-§1-B is enacted to read:

1-B. Upon the request of the Department of Corrections, the court shall attach as a condition of probation or intensive supervision that the convicted person pay an electronic monitoring fee, a substance testing fee or both, as determined by the court, for the term of probation or intensive supervision unless the court determines that the convicted person does not have the financial resources to pay these fees. Funds received from probationers or those sentenced to intensive supervision must be deposited into the department's Correctional Program Improvement Fund. These funds must be used to defray costs associated with the purchase and operation of electronic monitoring and substance testing programs, including costs associated with those programs for people who do not have the financial resources to pay the fees.

Sec. 2. 30-A MRSA §1659, sub-§3, ¶I, as enacted by PL 1991, c. 224, is repealed and the following enacted in its place:

I. As a condition of participation of an inmate in a home-release program, the court shall require the inmate to pay a fee, as determined by the court, including an electronic monitoring fee, a substance testing fee or both, unless the court determines that the inmate does not have the financial resources to pay these fees. The fee charged may include the costs associated with a home-release program for people who do not have the financial resources to pay the fees.
