Be it enacted by the People of the State of Maine as follows:

Sec. 1. 9-B MRSA §243-A, sub-§3 is enacted to read:

CHAPTER 854

H.P. 1773 - L.D. 2455

An Act to Create Jobs, Promote Economic Growth and Provide Business Assistance

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the unemployment rate in the State is high, requiring special efforts to stimulate the economy and create jobs; and

Whereas, the current recession has been accentuated by major structural changes in the regional, national and international economies; and

Whereas, this recession points to the need to make significant improvements in how State Government develops, implements and coordinates long-term strategies for economic growth in order to achieve and maintain economic prosperity into the 21st century; and

Whereas, these facts have necessitated the need for State Government, jointly with the private sector and the educational system, to develop and update specific action plans for stimulating long-term economic growth and for State Government to coordinate the delivery of the economic development and business assistance services outlined in the long-term plans; and

Whereas, this Act implements the recommendations of the Maine Jobs Commission, which was established to recommend programs and activities that will create jobs within the State; and

Whereas, in order to provide maximum benefit to the State's economy, these programs and activities need to be initiated before the expiration of the 90-day period; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
