Small group health plans****1. Definitions.** As used in this section, unless the context otherwise indicates, the following terms have the following meanings.A. "Carrier" means any insurance company, nonprofit hospital and medical service organization or health maintenance organization authorized to issue small group health plans in this State. For the purposes of this section, carriers that are affiliated companies or that are eligible to file consolidated tax returns are treated as one carrier and any restrictions or limitations imposed by this section apply as if all small group health plans delivered or issued for delivery in this State by affiliated carriers were issued by one carrier. For purposes of this section, health maintenance organizations are treated as separate organizations from affiliated insurance companies and nonprofit hospital and medical service organizations.B. "Community rate" means the rate to be charged to all eligible groups for small group health plans prior to any adjustments pursuant to subsection 2, paragraphs C and D.
