**Sec. 13. Rates.** The rates established pursuant to this section must be sufficient to provide revenue for the purposes of this Act and for all other purposes of the district, without the need for any financial assistance from the Town of Dresden, other than the normal payment of water charges for services rendered and the loan or loans for initial funds as set forth in section 12. Individuals, firms and corporations, whether private, public or municipal, shall pay to the treasurer or other designated officer of the district the rates established by the board of trustees for the water used by them. The rates must be established in accordance with the Maine Revised Statutes, Title 35-A, chapter 61, to provide for the purposes set forth therein.

The management and allocation by the Dresden Mills Water District of a contribution of funds by the State under the Maine Revised Statutes, Title 38, section 1364, subsection 5, and the income from those funds, are not subject to investigation or review by the Public Utilities Commission under Title 35-A, section 310, 1302 or 1303, except upon request by the Department of Environmental Protection.

**Sec. 14. Existing laws not affected; rights conferred subject to provisions of law.** Nothing contained in this Act is intended to repeal, or may be construed as repealing, the whole or any part of any existing law, and, except as otherwise expressly provided in this Act, all the rights and duties mentioned in this Act must be exercised and performed in accordance with all the applicable provisions of and amendatory acts to the Maine Revised Statutes, Title 35-A to the extent that that Title and its amendments affect the operations of the district.

**Sec. 15. Separability clause.** If any section or part of a section of this Act is held invalid by a court of competent jurisdiction, the holding does not affect the remainder of this Act, it being the intention that the remaining portions of this Act stand, notwithstanding the unconstitutionality or invalidity of any section, sentence, clause or phrase.

**Sec. 16. Acceptance subject to referendum.** This Act must be submitted to the legal voters within the district at an election called for that purpose and held by December 31, 1994. The election must be called, advertised and conducted according to the law relating to municipal elections, except that the registrar of voters is not required to prepare or the clerk to post a new list of voters and, for this purpose, the registrar of voters must be in session the 3 secular days preceding the election, of which the first 2 days must be devoted to registration of the voters and the last day to verification of the list and completion of the records of these sessions by the registrar. The subject matter of this Act is reduced to the following question:

“Shall the Dresden Mills Water District be created?”

The voters shall indicate by a cross or check mark placed against the words “Yes” or “No” their opinion of the same.

The results must be declared by the municipal officers of the Town of Dresden and the due certificate of the results filed by the clerk with the Secretary of State.

This Act takes effect upon its acceptance by a majority of the legal voters within the district voting at the special election. Failure of the approval by the necessary majority of voters at any such election does not prevent a subsequent election or elections from being held for that purpose.

**Sec. 17. Local referendum impact.** Notwithstanding the Maine Revised Statutes, Title 30-A, section 5684, additional costs, if any, imposed on any municipality by the provisions of this Act providing for a local referendum are not funded by the State.

**Emergency clause.** In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective pending referendum.
