CHAPTER 11

S.P. 586 - L.D. 1539

Resolve, Concerning Reauthorization of the \$12,000,000 Bond Issue for Sewer Treatment Facilities

Emergency preamble. Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Treasurer of State will be unable to sell any bonds not yet issued from the \$12,000,000 pollution abatement bond issue authorized by the voters of this State in 1986 unless the Legislature reauthorizes the issuance of those bonds; and

Whereas, the Department of Environmental Protection will not be able to meet its existing contractual obligations with municipalities and quasi-municipal corporations unless the bonds not yet issued are reauthorized; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Findings; expiration. Resolved: That the Legislature finds that the authorization for the \$12,000,000 bond issue approved by the electorate in November 1986 for sewer treatment facilities will expire in December 1991; and be it further

Sec. 2. Findings; reauthorization necessary. Resolved: That the Legislature further finds that, unless the bond issue is reauthorized, the progress in cleaning up the State's waters by municipal dischargers will be seriously hindered and the State will not be able to meet its existing contract obligations with municipalities and quasi-municipal corporations; and be it further

Sec. 3. Reauthorization of bonds. Resolved: That it is the intent of the Legislature to reauthorize bonds not yet issued from the \$12,000,000 bond issue for sewer treatment facilities for an additional 5-year period from the effective date of this resolve; and be it further

Sec. 4. Appropriation. Resolved: That no additional appropriation is required to carry out the purposes of this resolve.

Emergency clause. In view of the emergency cited in the preamble, this resolve takes effect when approved.

Effective June 17, 1991.
