PREFACE

The 1991 edition of the Laws of Maine is the official publication of the Legislative Session Laws of the State of Maine enacted by the 115th Legislature, which is compiled and published under the authority of the Maine Revised Statutes, Title 3, section 163-A.

The Laws of Maine has been in continuous publication since 1820, when the Acts and Resolves adopted by the First Legislature were published by the Secretary of State under the authority of Resolve 1820, chapter 25.

Volume 1 contains the public laws enacted at the First Regular Session (chapters 1 to 590).

This Volume 2 contains all of the private and special laws, resolves and constitutional resolutions enacted at the First Regular Session. Immediately following are the public laws (591 to 618), private and special laws and resolves enacted at the First Special Session, which immediately followed the First Regular Session. The 2 initiated bills that were not approved by the 114th Legislature but were enacted at referendum are also included in this volume. A selection of proclamations, significant addresses, joint resolutions and memorials follow, and the index to all materials in both volumes is located at the end of this volume.

Additional volumes of the 1991 Laws of Maine will contain those measures adopted in subsequent special and regular sessions of the 115th Legislature.

The following conventions are used throughout the series.

1. At the top of each page is a heading that indicates the individual classification of each law, the year and session of passage and its chapter number.

2. A table of contents that locates major divisions and contents by page reference is located at the beginning of each volume.

3. An individual subject index of the documents contained in Volumes 1 and 2 arranged alphabetically by subject headings with corresponding chapter numbers is located at the end of this volume.

4. A session cross-reference table is also provided at the end of this Volume to show how unallocated public laws, laws exempted in previous revisions, and Titles and sections of the Maine Revised Statutes of 1964 have been affected by the laws included in this publication.

5. Words deleted from the law, unless repealed by express language, are stricken through.

6. New words or sections are underlined.

7. Citations to a Legislative Document are printed beneath the chapter number heading to assist in locating the original source of each chapter.

8. The effective date for Maine laws is provided in the Constitution of Maine, Article IV, Part Third, Section 16, which specifies that except for certain emergency legislation, an act or resolve enacted into law takes effect 90 days after the adjournment of the session in which it passed. The general effective date of nonemergency laws passed at the First Regular Session of the 115th Legislature is October 9, 1991. The general effective date of nonemergency laws passed at the First Special Session is October 17, 1991. The effective dates of emergency legislation vary and are provided at the end of the chapters that were enacted as emergencies.

Copies of a specific chaptered law may be obtained by contacting the Engrossing Division of this office. Copies of the original Legislative Document and any amendments may be obtained from the Legislative Document Room administered by the Clerk of the House of Representatives.

This edition of the Laws of Maine and its predecessors have been prepared for the convenience of the people of the State of Maine and any comments or suggestions for improvements in subsequent editions would be appreciated.
