court. If a child is placed in the custody of the department, the court shall order child support from each parent according to the guidelines pursuant to Title 19, chapter 7, subchapter I-A, designate each parent as a nonprimary care provider and apportion the obligation accordingly.

Income affidavits and instructions must be provided to each parent by the department at the time of service of the petition or motion. The court may order a deviation pursuant to Title 19, section 317. Support ordered pursuant to this section must be paid directly to the department pursuant to Title 19, section 777-A, subsection 3. CHAPTER 250

H.P. 755 - L.D. 1022

An Act to Amend the Maine State Retirement System Laws Related to the Participating Local Districts Consolidated Plan

Emergency preamble. **Whereas**, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Participating Local District Advisory Committee established by the Maine Revised Stat-

utes, Title 5, section 18802 is charged with the responsibility of developing a consolidated retirement plan for participating local districts in the Maine State Retirement System; and

Whereas, the committee has prepared its proposals for the consolidated plan and has determined that it is in the best interest of both participating local districts and their employees to provide that all participating local districts be a part of the consolidated plan; and

Whereas, the committee has determined that amendments to the laws related to the participating local districts consolidated plan are necessary so that the committee may complete the development of the plan and the plan may be initiated on July 1, 1993; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 5 MRSA §17001, sub-§32, ¶B, as enacted by PL 1985, c. 801, §§5 and 7, is repealed and the following enacted in its place:

B. For a retired participating local district employee:

(1) Except as provided in subparagraph (2), "restoration to service" means acceptance of employment with the participating local district from which the employee retired; and

(2) After the date on which a participating local district's consolidated plan under chapter 427 goes into operation, "restoration to service" means acceptance of employment with any district that participates in the consolidated plan. This subparagraph applies to employees who retire before a consolidated plan goes into operation as well as to those who retire after a consolidated plan has gone into operation.

Sec. 2. 5 MRSA §18201, first ¶, as amended by PL 1989, c. 811, §2, is further amended to read:

A local district may contract for the participation of its employees in the retirement system under this chapter any time before the date the board puts into operation the consolidated retirement plan for participating local districts under chapter 427. After the effective date of on which the consolidated plan described in chapter 427 is put into operation, a local district may contract for participation only in a program provided by the consolidated plan under chapter 427.
