CHAPTER 397

H.P. 159 - L.D. 211

An Act Related to Lottery Machines

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the selection for placement and removal of lottery machines is an ongoing process that currently lacks specific formal and consistent guidelines; and

Whereas, the development and implementation of a formal and consistent selection plan for lottery machines must be immediately addressed to ensure fairness to all applicants; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 8 MRSA §374, sub-§4 is enacted to read:

4. Small businesses. The commission shall adopt by rule a written plan that includes the placement of lottery machines in small businesses. The plan must be created and implemented by January 15, 1994. The commission shall report to the joint standing committee of the Legislature having jurisdiction over legal affairs before January 15, 1994, so that the committee may approve the plan before it is implemented. No further removals of lottery machines may take place after January 15, 1994 unless the plan is successfully implemented. The removal of a lottery machine and the reason for removal must be reported, within 30 days of the removal, to the joint standing committee of the Legislature having jurisdiction over legal affairs.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective June 21, 1993.
