AS PASSED AT THE
FIRST REGULAR SESSION

ONE HUNDRED AND SIXTEENTH LEGISLATURE

1993

Sardine Council, the Maine Dairy Promotion Board, the Maine Dairy and Nutrition Council and the Lobster Promotion Council shall conduct studies of their respective organizations that examine alternative models of organizing their functions in a way so as to maximize services to the populations each organization serves. Each organization shall analyze, at a minimum, the feasibility of separating entirely from State Government and continuing in State Government as a quasi-independent agency such that all employees would leave state service and become employees of their respective organizations. Each organization shall report to the Joint Standing Committee on Appropriations and Financial Affairs no later than January 4, 1994, with their findings and recommendations, including any draft legislation.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective June 30, 1993.

CHAPTER 414

H.P. 409 - L.D. 522

An Act Making Unified Appropriations and Allocations for the Expenditures of State Government, Highway Fund, and Changing Certain Provisions of the Law Necessary to the Proper Operation of State Government for the Fiscal Years Ending June 30, 1994 and June 30, 1995

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the 90-day period may not terminate until after the beginning of the next fiscal year; and

Whereas, certain obligations and expenses incident to the operation of state departments and institutions will become due and payable immediately; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

PART A

Sec. A-1. Appropriations and allocations. In order to provide for necessary expenditures of State Government and other purposes for the fiscal years ending
