CHAPTER 521

H.P. 1260 - L.D. 1687

An Act to Correct an Error in the Sand Dune Laws

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, legislation enacted during the First Regular Session of the 116th Legislature inadver-

tently allows development to occur without state review on sand dune areas that are geologically unstable and subject to rapid shoreline change; and

Whereas, development in these areas, and subsequent storm-related damage to property on-site, thus poses a risk to public health and safety as well as a potential financial liability to state and local governments; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 38 MRSA §480-Q, sub-§16, as enacted by PL 1993, c. 410, Pt. G, §7, is amended to read:

16. Alterations in back dunes of coastal sand dune systems. Alterations in back dunes of sand dune systems as long as the site is not subject to flooding during a 100-year flood event based on information from the Federal Emergency Management Agency and is not expected to be damaged due to shoreline change within 100 years based on historic and projected trends. The applicant must provide the department with written notification of the proposed activity, including a location map, at least 14 days prior to commencing work. This subsection is repealed on February 15, 1995.

Sec. 2. Rulemaking. Pursuant to its authority under the Maine Revised Statutes, Title 38, section 344, subsection 7, the Board of Environmental Protection shall adopt rules establishing permit-by-rule performance standards for activities exempt under Title 38, section 480-Q, subsection 16. Those rules take effect on February 15, 1995.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective March 14, 1994.
