**An Act to Amend the Maine  
Guide License****Be it enacted by the People of the State of  
Maine as follows:****Sec. 1. 12 MRSA §7311-A** is enacted to read:**§7311-A. Guides carrying passengers for hire**

Any guide who has been certified in watercraft safety through the guide license examination process is authorized, without further licensing requirements, to operate a motorboat carrying passengers for hire pursuant to section 7799. A guide license issued to a guide who has been certified in watercraft safety must clearly indicate that the licensee is authorized to operate a motorboat carrying passengers for hire.

**Sec. 2. 12 MRSA §9322, sub-§3,** as amended by PL 1985, c. 108, §6, is repealed and the following enacted in its place:

**3. Resident guides.** Upon application, the Director of the Bureau of Forestry may issue a state-wide yearly permit for out-of-door fires to resident guides licensed by the Department of Inland Fisheries and Wildlife. The director may restrict the scope of a permit to correspond with the classification of the guide license. Use of the permit is conditional upon the permittee:

A. Possessing a valid guide license;

B. Complying with any landowner campfire restrictions;

C. Complying with applicable out-of-door burning laws; and

D. Complying with out-of-door fire restrictions established by the director for the area in which and the time during which fires are made.

The director shall revoke the permit of any person who violates any condition or restriction established by this subsection. The director is not required to comply with the provisions of Title 4, chapter 25 or Title 5, chapter 375 in revoking a permit under this subsection.

See title page for effective date.

## CHAPTER 556

S.P. 629 - L.D. 1749

**An Act to Improve the Notice  
Provisions for Municipal  
Development Districts**

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** current law requires municipalities with development districts and tax increment financing districts to publish annual newspaper notices listing every property owner and that property owner's district tax assessment; and

**Whereas,** such a notice is very expensive and unnecessary because each property owner receives an assessment through the mail; and

**Whereas,** the 1994 newspaper notices have to be published and paid for before 90 days following adjournment of the Second Regular Session of the 116th Legislature; and

**Whereas,** in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

**Be it enacted by the People of the State of  
Maine as follows:**

**Sec. 1. 30-A MRSA §5255, sub-§2, ¶E,** as amended by PL 1989, c. 104, Pt. C, §§8 and 10, is further amended to read:

E. A statement indicating that a proposed list of properties to be assessed and the estimated assessments against those properties is available at the city or town office or at the office of the assessor.

**Emergency clause.** In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective March 30, 1994.
