CHAPTER 627

H.P. 1369 - L.D. 1853

An Act to Amend the Laws Concerning Set-back Variances

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 30-A MRSA §4353, sub-§4-B, as enacted by PL 1991, c. 659, §3, is amended to read:

4-B. Set-back variance for single-family dwellings. A municipality may adopt an ordinance that permits the board to grant a set-back variance for a single-family dwelling. An ordinance adopted under this subsection may permit a variance from a set-back requirement only when strict application of the zoning ordinance to the petitioner and the petitioner's property would cause undue hardship. The term "undue hardship" as used in this subsection means:

- A. The need for a variance is due to the unique circumstances of the property and not to the general conditions in the neighborhood;
- B. The granting of a variance will not alter the essential character of the locality;
- C. The hardship is not the result of action taken by the applicant or a prior owner;

D. The granting of the variance will not substantially reduce or impair the use of abutting property; and

E. That the granting of a variance is based upon demonstrated need, not convenience, and no other feasible alternative is available.

An ordinance adopted under this subsection is strictly limited to permitting a variance from a set-back requirement for a single-family dwelling that is the primary year-round residence of the petitioner. A variance under this subsection may not exceed 20% of a set-back requirement and may not be granted if the variance would cause the area of the dwelling to exceed the maximum permissible lot coverage. An ordinance may allow for a variance under this subsection to exceed 20% of a set-back requirement, except for minimum setbacks from a wetland or water body required within shoreland zones by rules adopted pursuant to Title 38, chapter 3, subchapter I, article 2-B, if the petitioner has obtained the written consent of an affected abutting landowner.

CHAPTER 628

H.P. 1372 - L.D. 1856

An Act Concerning the 1993 Apportionment of Legislative Districts

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, certain legislative districts will be delineated pursuant to the apportionment plan after their primary elections are held but before the general election; and

Whereas, it would be easier and less confusing for towns and municipalities to know the delineation of legislative districts before any further elections are held; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 21-A MRSA §1201, as amended by PL 1993, c. 7, §1, is repealed.

Sec. 2. 21-A MRSA §§1202 to 1207 are enacted to read:

2. Second District. The Second District consists of the counties of Androscoggin, Aroostook, Franklin, Hancock, Oxford, Penobscot, Piscataquis, Somerset, Waldo and Washington and the municipalities of Albion, China, Monmouth, Unity Township and Wayne in Kennebec County.

§1206. Reapportionment

The state legislative districts established in this chapter must be reapportioned pursuant to the Constitution of Maine, Article IV, Part Third, Section 1-A, and congressional districts must be reapportioned as follows.

1. Procedure. In 1993 and every 10 years thereafter, when the Secretary of State has received notification of the number of congressional seats to which the State is entitled and the Federal Decennial Census population count is final, the Legislative Apportionment Commission, established every 10 years pursuant to the Constitution of Maine, Article IV, Part Third, Section 1-A, shall review the existing congressional districts. If the districts do not conform to Supreme Judicial Court guidelines, the commission shall reapportion the State into congressional districts.

In making such a reapportionment, the commission shall ensure that each congressional district is formed of compact and contiguous territory and crosses political subdivisions the least number of times necessary to establish districts as equally populated as possible. The commission shall submit its plan to the Clerk of the House of Representatives no later than 120 calendar days after the convening of the Legislature in which apportionment is required. The Legislature shall enact the submitted plan of the commission or a plan of its own in regular or special session by a vote of 2/3 of the members of each house within 30 calendar days after the plan is submitted to the Clerk of the House of Representatives. This action is subject to the Governor's approval, as provided in the Constitution of Maine, Article IV, Part Third, Section 2.

2. Court apportionment. If the Legislature fails to make an apportionment within 120 calendar days of the convening of the session in which apportionment is required, the Supreme Judicial Court shall make the apportionment within 60 days following the period in which the Legislature is required to act but fails to do so. In making the apportionment, the Supreme Judicial Court shall take into consideration plans and briefs filed by the public with the court during the first 30 days of the period in which the court is required to apportion.

3. Judicial review. The Supreme Judicial Court has original jurisdiction to hear any challenge to an apportionment law enacted by the Legislature, as registered by any citizen or group of citizens. If a challenge is sustained, the Supreme Judicial Court shall make the apportionment.

§1207. Implementation and interpretation

1. Implementation. The Secretary of State shall implement the election districts established in this chapter pursuant to this Title and the Constitution of Maine. The Secretary of State shall inform the municipal clerks of the voting district or districts in which each municipality lies and shall provide copies of this chapter and district maps and narrative geographic descriptions of relevant election districts to those officials. The Secretary of State may resolve ambiguities concerning the location of election district lines consistent with subsection 2 and this chapter.

2. Interpretation. Where a road, street, waterway, boundary of a tract, boundary of a block group or boundary of a block is used as a boundary of an election district, the boundary line lies at the center of the street or road, at the thread of the waterway or at the boundary of the tract, block group or block, unless otherwise noted. When a description refers to a bridge or railroad line, the district boundary lies at the center of the bridge or railroad tracks. When a description refers to a railroad spur, it refers to the principal spur in the area. When a description uses the word "ocean," the district boundary line lies coincident with the legal boundary of the particular community along or within the Atlantic Ocean. When an election district includes a particular unorganized territory, it includes that unorganized territory as described in the United States Census for 1990, whether the territory is organized or unorganized on the effective date of this chapter. Unless otherwise noted, a district that names a municipality includes all of the municipality.

3. Nonseverability. It is the intent of the Legislature that the apportionment of the Maine Senate, the Maine House of Representatives and Maine congressional districts, as established in this chapter, become law as an entirety. If the apportionment of one or more of the bodies apportioned in this chapter is rendered invalid or unlawful by a court of law, it is the intent of the Legislature that the apportionment of all of the bodies apportioned in this chapter become void.

Emergency clause. In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective April 7, 1994.

CHAPTER 629

S.P. 680 - L.D. 1860

**An Act to Amend the Law Pertaining
to the Appointment of a Guardian
Ad Litem in Contested Proceedings**

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, there appears to be an uncertainty in the status of the need of the appointment of a guardian ad litem in contested hearings; and

Whereas, it is important to clarify the court's discretionary authority to appoint a guardian; and

Whereas, children may suffer serious harm from the contentious divorce or separation proceedings of their parents; and

Whereas, an appointment of a guardian ad litem to represent a child's interest may often minimize that harm and may assist the court in making appropriate decisions concerning the child; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 19 MRSA §752-A is enacted to read:

§752-A. Contested proceedings

1. Guardian ad litem; appointment. In contested proceedings under sections 214, 581, 693 and 752 in which a minor child is involved, the court may appoint a guardian ad litem for the child. The appointment must be made as soon as possible after the commencement of the proceeding. In determining whether an appointment must be made, the court shall consider:

A. The wishes of the parties;

B. The age of the child;

C. The nature of the proceeding, including the contentiousness of the hearing;

D. The financial resources of the parties;
