of voters is not required to prepare or the clerk to post a new list of voters and, for this purpose, the registrar of voters must be in session 3 secular days preceding the election of which the first 2 days must be devoted to registration of the voters and the last day to verification of the list and completion of the records of these sessions by the registrar. The subject matter of this Act is reduced to the following question:

“Do you favor amending the charter that created the Newport Water District to include part of the Town of Palmyra and add 2 additional members to the Board of Trustees of the Newport Water District, one from the Town of Newport and one from the Town of Palmyra?”

The voters shall indicate by a cross or check mark placed against the word “Yes” or “No” their opinion of the same. This Act takes effect immediately upon its acceptance by a majority of the legal voters voting at the election.

The result of the vote must be declared by the municipal officers of the Town of Newport and the Town of Palmyra and due certificate of the results filed by the town clerk with the Secretary of State.

This Act takes effect for all purposes immediately upon its acceptance by a majority of the legal voters of the portion of the Town of Palmyra located within the district voting at the special election. Failure of the approval by the necessary majority of voters at any such election does not prevent a subsequent election or elections from being held for that purpose.
