CHAPTER 60

S.P. 656 - L.D. 1825

Resolve, to Study the Availability and Sources of Venture Capital in Maine

Sec. 1. Finance Authority of Maine directed to study venture capital availability and sources. Resolved: That the Finance Authority of Maine is directed to review existing sources of venture capital in the State, to consider models of venture capital programs in other states and to consider the options for increasing access of Maine businesses to equity capital, particularly for smaller businesses and new ventures. The authority shall consider the structure and composition of a venture capital program and shall also consider potential tax and other incentives to encourage equity investment; and be it further

Sec. 2. Report. Resolved: That the Finance Authority of Maine shall submit a report on its findings along with recommendations for any necessary implementing legislation to the joint standing committee of the Legislature having jurisdiction over housing and economic development matters by February 1, 1995.

See title page for effective date.

CHAPTER 61
