## CHAPTER 143

H.P. 611 - L.D. 821

### An Act to Amend the Laws Regarding the Procedures for Emergency Admissions to a Mental Hospital

**Emergency preamble.** Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** current laws do not authorize a law enforcement officer to transfer custody of a person for whom emergency admittance to a mental health institution is sought to the chief administrative officer of a nonstate mental health institution or to the chief administrative officer's designee; and

**Whereas,** this deficiency in the laws is a tremendous burden on law enforcement agencies as it forces law enforcement personnel to wait many hours at mental health institutions for emergency admittances, resulting in the waste of precious law enforcement resources and jeopardizing the protection that law enforcement agencies provide; and

**Whereas,** in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preserva-

tion of the public peace, health and safety; now, therefore,

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1.** 34-B MRSA §3863, sub-§2-A, as enacted by PL 1993, c. 592, §1, is amended to read:

**2-A. Custody agreement.** A state, county or municipal law enforcement agency may meet with representatives of those public and private health practitioners and health care facilities that are willing and qualified to perform the certifying examination required by this section in order to attempt to work out a procedure for the custody of the person who is to be examined while that person is waiting for that examination. Any agreement must be written and signed by and filed with all participating parties. In the event of failure to work out an agreement that is satisfactory to all participating parties, the procedures of section 3862 and this section continue to apply.

As part of an agreement the law enforcement officer requesting certification may transfer protective custody of the person for whom the certification is requested to another law enforcement officer ~~or~~ a health officer if that officer agrees or the chief administrative officer of a public or private health practitioner or health facility or the chief administrative officer's designee. Any arrangement of this sort must be part of the written agreement between the law enforcement agency and the health ~~care agency practitioner or health care facility.~~ In the event of a transfer, the law enforcement officer seeking the transfer shall provide the written application required by this section.

**Emergency clause.** In view of the emergency cited in the preamble, this Act takes effect when approved.

Effective May 23, 1995.
