Preamble. Two thirds of both Houses of the Legislature deeming it necessary in accordance with the Constitution of Maine, Article IX, Section 14, to authorize the issuance of bonds on behalf of the State of Maine to provide funds for grants to cities and towns for the proper capping of their solid waste landfills, for small community water pollution control facilities and for the removal of state-owned underground storage tanks.

Be it enacted by the People of the State of Maine as follows:

Sec. 1. The bonds are a pledge of the full faith and credit of the State. The bonds may not run for a period longer than 10 years from the date of the original issue of the bonds. At the discretion of the Treasurer of State, with the approval of the Governor, any issuance of bonds may contain a call feature.

Sec. 2. Records of bonds issued to be kept by the Treasurer of State. The Treasurer of State shall keep an account of each bond showing the number of the bond, the name of the successful bidder to whom sold, the amount received for the bond, the date of sale and the date when payable.

Sec. 3. Sale; how negotiated; proceeds appropriated. The Treasurer of State may negotiate the sale of the bonds by direction of the Governor, but no bond may be loaned, pledged or hypothecated on behalf of the State.
