## CHAPTER 42

### H.P. 805 - L.D. 1122

#### **Resolve, Urging Efforts to Enhance Opportunities for Businesses that Use Recycled Materials as Raw Materials**

**Emergency preamble.** Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** legislation has been proposed to eliminate the Maine Waste Management Agency; and

**Whereas,** the Maine Waste Management Agency was responsible for promoting and facilitating recycling of solid waste in the State; and

**Whereas,** it is anticipated that an existing state agency will assume certain of the agency's recycling programs; and

**Whereas,** matching businesses that need recycled materials as raw materials with producers of recyclable materials may be beneficial both to businesses and waste producers; and

**Whereas,** staff resources at the successor agency are limited, making it inadvisable to impose additional duties on that staff; and

**Whereas,** the successor agency is likely, when it first assumes recycling duties, to review staff assignments and goals and that review process provides an opportunity to determine how the staff can facilitate recycling; and

**Whereas,** in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

**Sec. 1. Provision of assistance to businesses. Resolved:** That in structuring its operations and establishing goals and assigning duties to its staff, the successor agency to the Maine Waste Management Agency shall include as a goal the provision of assistance to businesses that use recycled products as raw materials; and be it further

**Sec. 2. Pursuit of goals. Resolved:** That in pursuing that goal the successor agency is urged within available resources to:

1. Develop, in cooperation with the Department of Economic and Community Development and other state, municipal and business assistance and trade organizations, programs that support the increased collection of recycled materials for use by Maine businesses;

2. Convene task forces to coordinate policy on a case-by-case basis when businesses or recycling programs identify shortages or lack capacity to produce sufficient raw materials;

3. Review existing marketing and brokering services to determine adequacy in meeting the needs of businesses dependent upon recycled materials for raw materials; and

4. Determine and recommend to the Legislature whether to include newspapers or any other materials as mandatory items under Title 38, section 2138 to ensure adequate flow of raw materials to businesses dependent upon recycled materials.

**Emergency clause.** In view of the emergency cited in the preamble, this resolve takes effect when approved.

Effective June 30, 1995.

## CHAPTER 43

### H.P. 459 - L.D. 625

#### **Resolve, to Reduce the Economic Impacts of the Clean Air Act on Maine's Citizens and Businesses**

**Emergency preamble.** Whereas, Acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** this resolve requires that the Department of Environmental Protection provide a petition to the Governor in order that the petition may be submitted to the United States Environmental Protection Agency in a timely manner; and

**Whereas,** this resolve requires the Department of Environmental Protection to submit to the United States Environmental Protection Agency as soon as practicable a request to redesignate areas of the State for purposes of the federal Clean Air Act ozone requirements; and
