4. Payments from prisoner's facility account.

After payment of the initial partial filing fee, the person shall make monthly payments of 20% of the preceding month's deposits credited to the person's facility account. The facility having custody of the person shall forward monthly payments from the account to the clerk of the court each time the amount in the account exceeds \$10 until the filing fee is paid in full.

5. Restrictions on filing fee. The filing fee collected may not exceed the amount of the fee permitted by law for the commencement of a civil action or an appeal of a civil action. A person may not be prohibited from bringing a civil action or appealing a civil action if the court finds that the action or appeal is not frivolous and has been brought in good faith and that the person has no assets and no means by which to pay the initial partial filing fee.

6. Payment of outstanding restitution orders. Any compensatory damages awarded to a person in connection with a civil action brought with respect to a condition of the person's confinement or the effect of an action or inaction by a government official on the life of the person confined must be paid directly to satisfy any outstanding restitution orders pending against the person, whether as the result of court proceedings or facility disciplinary proceedings. The remainder of any such award, after full payment of all pending restitution orders, must be forwarded to the person.

7. Notification to victim. Prior to payment of any compensatory damages awarded to a person in connection with a civil action brought with respect to a condition of the person's confinement or the effect of an action or inaction by a government official on the life of the person confined, reasonable efforts must be made to notify the victims of the crime for which the person was confined concerning the pending payment of any such compensatory damages.

8. Civil liability. Neither the failure to perform the requirements of this section nor compliance with this section subjects the Commissioner of Corrections, the Department of Corrections, the county jail, the employees or officers of the department or jail or the attorney representing any of them to liability in a civil action.
