A. Information released prior to the completion of the investigation of a report must be limited to a statement that a report is under investigation.

B. If there has been a prior disclosure pursuant to paragraph A, information released in a case in which the report has not been substantiated is limited to the statement that the investigation has been completed and the report has not been substantiated.

C. If the report has been substantiated, information may be released pursuant to subsection 2.

D. The disclosure may not identify or provide any identifying description of the source of the report, and may not identify the name of the abused or neglected child's siblings, the parent or other person legally responsible for the child or any other members of the child's household, other than the subject of the report.

4. Considerations. In determining pursuant to subsection 1 whether disclosure would be contrary to the best interests of the child, the child's siblings or other children in the household, the commissioner shall consider the privacy of the child and the child's family and the effects that disclosure may have on efforts to reunite and provide services to the family.

5. Other releases and disclosure. Except as it applies directly to the cause of the abuse or neglect of the child, nothing in this section authorizes the release or disclosure of the substance or content of any psychological, psychiatric, therapeutic, clinical or medical reports, evaluations or similar materials or information pertaining to the child or the child's family.

## CHAPTER 330

H.P. 850 - L.D. 1155

### An Act to Create a Permanent Funding Source for the Saco River Corridor Commission

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 38 MRSA §969** is enacted to read:

#### **§969. Saco River Corridor Fund**

**1. Fund established.** The Saco River Corridor Fund, referred to in this section as the "fund," is established as a nonlapsing dedicated, interest-bearing account. All charges collected pursuant to this section must be deposited into the fund. All interest earned by the account accrues to the fund. Any balance remaining in the fund at the end of the fiscal year does not lapse but is carried forward into subsequent fiscal years.

**2. Fund purpose.** The purpose of the fund is to preserve existing water quality and prevent the deterioration of water supplies in the Saco River, the Ossipee River and the Little Ossipee River within the Saco River Corridor, as created in section 953, by partially underwriting the administration and operation of the Saco River Corridor Commission, as established by Title 5, section 12004-G, subsection 13.

**3. Assessment on the sale of water.** For purposes of funding its activities, the commission shall impose a fee of 1% on the sale of water and fire protection services by a water utility that draws water either from the Saco River or from a groundwater source under the influence of the Saco River, as determined by the Department of Human Services, for sale and distribution to its customers. The fee must be levied on the rates of the water utility as authorized by the Public Utilities Commission to be charged for services provided by the utility. "Water utility" has the same meaning as the term is defined in Title 35-A, section 102, subsection 22.
