An Act to Ensure Proper Training for Conducting Forensic Examinations of Victims of Sexual Assault

**Emergency preamble. Whereas,** Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas,** sexual assault continues to represent the most rapidly growing violent crime in America, claiming a victim every 45 seconds; and

Whereas, sexual assault can lead to serious biological and mental health trauma that must be addressed immediately; and

Whereas, the development of a communitybased team approach may provide for the dignified and compassionate treatment of sexual assault victims; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

## Be it enacted by the People of the State of Maine as follows:

**Sec. 1. 30-A MRSA §287, sub-§4,** as enacted by PL 1993, c. 27, §1, is amended to read:

4. Standardized kit for evidence collection in cases of gross sexual assault. The Department of Public Safety shall determine by rule what constitutes a standardized kit for evidence collection in cases of gross sexual assault. A physician or other health care professional who conducts a physical examination of an alleged victim of gross sexual assault shall use a standardized evidence collection kit that meets the requirements established by rule of the Department of Public Safety.

A health care professional, other than a physician, who conducts a physical examination of an alleged victim of gross sexual assault must be trained in the
