CHAPTER 246

S.P. 542 - L.D. 1688

An Act to Amend the Personal Sports Mobile Franchise Law

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 10 MRSA §1244, sub-§3 is enacted to read:

- 3. Mediation. A franchisee may not bring an action for recovery of damages or for equitable relief under this section until a franchisee has served upon the franchisor a written demand for nonbinding mediation and either the parties have engaged in such mediation in this State with an independent mediator or 60 days have passed from the franchisor's receipt of notice of mediation, whichever occurs sooner. The service of the written notice of mediation tolls the running of any applicable statute of limitations for the subsequent 60-day period. A franchisor may not establish a new personal sports mobile dealership or relocate an existing sports mobile dealership within or into the relevant market area during this 60-day period. Notwithstanding any agreement or requirement to engage in nonbinding mediation, at the conclusion of the proceedings, the franchisee is entitled to file an action in any court in this State in accordance with section 1250-I. The results of nonbinding mediation are not admissible in the action.
- **Sec. 2. 10 MRSA §1250-F, sub-§1,** as amended by PL 1997, c. 717, §5, is further amended to read:
- 1. Civil remedies. Any personal sports mobile dealer or franchisee who has been damaged by reason of a violation of a provision of this chapter may bring an action to enjoin that violation and to recover any damages arising from that violation. A franchisee or personal sports mobile dealer who suffers financial loss of money or property, real or personal, or who has otherwise been adversely affected as a result of an unfair method of competition, an unfair or deceptive act or a violation of a provision of this chapter may bring an action for damages and equitable relief, including injunctive relief. When the franchisee or

dealer prevails, the court shall award attorney's fees to the franchisee or dealer regardless of the amount in controversy and assess costs against the opposing party. A final judgment, order or decree rendered against a person in any a civil or administrative proceeding under this chapter or in any a civil, criminal or administrative proceeding under the federal antitrust laws, the Federal Trade Commission Act, or any other part of the Maine Revised Statutes is prima facie evidence against that person subject to the conditions set forth in the federal antitrust laws, 15 United States Code, Section 16.

See title page for effective date.

CHAPTER 247

H.P. 1080 - L.D. 1449

An Act to Ensure Municipal Authority over Sludge and Septage Land Spreading Sites

Be it enacted by the People of the State of Maine as follows:

- Sec. 1. 38 MRSA §1303-C, sub-§29, as amended by PL 1989, c. 869, Pt. A, §5 and affected by §21, is further amended to read:
- **29. Solid waste.** "Solid waste" means useless, unwanted or discarded solid material with insufficient liquid content to be free-flowing, including, but not limited to, rubbish, garbage, refuse-derived fuel, scrap materials, junk, refuse, inert fill material and land-scape refuse, but does not include hazardous waste, biomedical waste, septic tank sludge septage or agricultural wastes. The fact that a solid waste or constituent of the waste may have value or other use or may be sold or exchanged does not exclude it from this definition.
- Sec. 2. 38 MRSA \$1304, sub-\$17 is enacted to read:
- 17. Sludge and septage guidance. The commissioner shall develop guidance to municipalities regarding the regulation of septage and sludge land application by municipalities. The guidance must include information regarding site location restrictions, testing and enforcement actions that may be undertaken by a municipality and municipal roles and responsibilities under section 1310-U.
- Sec. 3. Report on sludge and septage land application guidance. By January 30, 2002, the Department of Environmental Protection is directed to report to the joint standing committee of the Legislature having jurisdiction over natural resources matters on the status of the development of guidance to
