CHAPTER 38

H.P. 1364 - L.D. 1838

An Act To Provide for the 2004 and 2005 Allocations of the State Ceiling on Private Activity Bonds

Emergency preamble. Whereas, Acts of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 10, section 363 and Private and Special Law 2003, chapter 17 make a partial allocation of the state ceiling on private activity bonds to some issuers for calendar year 2004 but leave a portion of the state ceiling unallocated and do not provide sufficient allocations for certain types of private activity bonds that may require an allocation prior to the effective date of this Act if not enacted on an emergency basis; and

Whereas, if these bond issues are delayed due to lack of available state ceiling, the rates and terms under which these bonds may be issued may be adversely affected, resulting in increased costs to beneficiaries or even unavailability of financing for certain projects; and
