2004

States Department of Housing and Urban Development, are representative of the rental market in each region of the State. If the committee determines that the fair market rents are not representative of actual rental values, the committee shall make recommendations to address the issue. The committee shall also examine the housing data that is collected in the State and make recommendations for additional data collection to improve the State's ability to maximize federal housing assistance; and

4. How to improve the State's collection of data regarding general assistance in order to better understand how municipal programs are functioning. The committee shall make recommendations to ensure adequate data collection, including, but not limited to, data concerning the number of applications and the number of people granted and denied assistance; and be it further

Sec. 3. Reports. Resolved: That the committee shall submit a progress report no later than January 15, 2005 and a final report, including suggested legislation, no later than January 15, 2006 to the joint standing committee of the Legislature having jurisdiction over human services matters. Following receipt and review of the final report, the joint standing committee of the Legislature having jurisdiction over human services matters may report out legislation based on the report to the Second Regular Session of the 122nd Legislature.

CHAPTER 117

H.P. 171 - L.D. 212

Resolve, Directing the Secretary of State To Study the Feasibility of Instant Run-off Voting

Sec. 1. Secretary of State to study feasibility of instant run-off voting. Resolved: That the Secretary of State shall conduct a thorough study of the feasibility of establishing instant run-off voting in the State. The Secretary of State may consult with individuals or organizations that advocate for the implementation of instant run-off voting and those that oppose the implementation of instant run-off voting in the State during the course of the study. The Secretary of State shall submit a report to the joint standing committee of the Legislature having jurisdiction over election matters by January 15, 2005. That report must include a summary of existing instant run-off voting systems in the United States and other nations, the benefits and drawbacks of instant run-off voting, the feasibility of implementing such a system for the

conduct of elections in the State and any federal resources that may be available to fund the implementation of instant run-off voting in the State.

See title page for effective date.

CHAPTER 118

S.P. 225 - L.D. 616

Resolve, To Improve the Quality of Health Care

Sec. 1. Review and report. Resolved: That the Maine Quality Forum Advisory Council, established pursuant to the Maine Revised Statutes, Title 5, section 12004-I, subsection 30-A, shall review direct-care registered nurse staffing levels in general, acute and specialty care hospitals, the issue of minimum staffing ratios for direct-care registered nurse staffing in hospitals and the rules of the Department of Human Services on direct-care registered nurse staffing. The Maine Quality Forum Advisory Council shall report to the joint standing committee of the Legislature having jurisdiction over health and human services matters on its review under this section and any recommendations from the council by January 15, 2005.

See title page for effective date.

CHAPTER 119

S.P. 407 - L.D. 1261

Resolve, To Direct the Public Utilities Commission To Examine Certain Issues Relating to Energy Efficiency

Sec. 1. Public Utilities Commission examination of program to encourage use of energy-efficient products. Resolved: That the Public Utilities Commission shall investigate the feasibility and design of a program that would provide incentives to residential and commercial consumers to purchase and install energy-efficient appliances or that would establish energy efficiency standards. The commission shall analyze which energy-efficient products should be included in any program; possible incentive mechanisms such as rebates, grants, low-interest loans or other financial incentives; program costs and benefits; funding sources; and the advantages and disadvantages of implementing any recommended program. The commission shall issue a report of its findings and recommendations to the joint standing committee of the Legislature having jurisdiction
