Sec. 3. Power to take water. For purposes of its incorporation, the district is authorized to take water from any source in the Town of Athens.

Sec. 4. Number of trustees. The board of trustees of the district is composed of 3 trustees. Notwithstanding the Maine Revised Statutes, Title 35-A, section 6410, a trustee must be a taxpayer of the Town of Athens and a ratepayer of the district.

Sec. 5. Election of first board. The first board is elected in an election called by the municipal officers of the Town of Athens by the voters in accordance with this Act. The terms of the first board are governed by the Maine Revised Statutes, Title 35-A, section 6410.

Sec. 6. Terms of trustees. After the election of the first board, trustees are elected to 3-year terms.

Sec. 7. Referendum; effective date. This Act takes effect when approved only for the purpose of permitting its submission to the legal voters within the territory described in section 1 of this Act at an election called for that purpose and held by July 1, 2008. The election must be called by the municipal officers of the town and be held at the regular voting places. The election must be called, advertised and conducted according to the law relating to municipal elections, except that the registrar of voters is not required to prepare or the clerk to post a new list of voters. For the purpose of registration of voters, the registrar of voters must be in session the secular day preceding the election. The subject matter of this Act is reduced to the following question:

"Do you favor creating the Athens Standard Water District?"

The voters shall indicate by a cross or check mark placed against the word "Yes" or "No" their opinion of the same.

The results must be declared by the municipal officers of the Town of Athens and due certificate of the results filed by the clerk with the Secretary of State.

This Act takes effect for all other purposes immediately upon its approval by a majority of the legal voters voting at the election. Failure to achieve the necessary approval in any referendum does not prohibit subsequent referenda consistent with this section, provided the referenda are held prior to July 1, 2008.

Effective pending referendum.
