and policies necessary to implement the recommendations; and be it further

Sec. 3. Legislation authorized. Resolved: That the Joint Standing Committee on Agriculture, Conservation and Forestry may submit a bill to the Second Regular Session of the 122nd Legislature to encourage and support long-term forest management and improved silviculture.

See title page for effective date.

CHAPTER 29

S.P. 445 - L.D. 1265

Resolve, Regarding Source Water Protection

Sec. 1. Report. Resolved: That the Drinking Water Program within the Department of Health and Human Services, in consultation with the Department of Environmental Protection, the Department of Conservation, Maine Geological Survey and the Department of Agriculture, Food and Rural Resources shall submit a report as provided in this section to the Joint Standing Committee on Natural Resources by February 1, 2006. The report must address whether additional requirements are needed for source water protection in this State and describe recommended options to address those needs. Options may include, but are not limited to, water supply source water protection approaches modeled after shoreland zoning, use of statutory performance standards and use of specific land use prohibitions or controls. The report may not address minimum state standards for excavations of 5 or more acres for borrow, clay, topsoil or silt.

After receipt and review of the report, the Joint Standing Committee on Natural Resources may report out legislation to the Second Regular Session of the 122nd Legislature requiring the Drinking Water Program within the Department of Health and Human Services to establish a process to allow public comment on the options recommended by the department and to report to a future Legislature with subsequent recommendations after consideration of the public comments by the Drinking Water Program within the Department of Health and Human Services, the Department of Environmental Protection, the Department of Conservation, Maine Geological Survey and the Department of Agriculture, Food and Rural Resources.

See title page for effective date.

CHAPTER 30

H.P. 955 - L.D. 1369

Resolve, Directing the Intergovernmental Advisory Group to Review Unfunded Mandates

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, this resolve directs the Intergovernmental Advisory Group to review certain unfunded mandates; and

Whereas, the review must be initiated before the 90-day period expires in order that the review may be completed and a report submitted in time for submission to the next legislative session; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Intergovernmental Advisory Group to conduct review. Resolved: That the Intergovernmental Advisory Group established in the Maine Revised Statutes, Title 5, section 12004-I, subsection 75-C shall conduct a review of unfunded state mandates that pertain to municipalities and shall identify those unfunded state mandates that were enacted prior to November 23, 1992, the effective date of the Constitution of Maine, Article IX, Section 21, which limits the imposition of unfunded state mandates. In conducting its review, the Intergovernmental Advisory Group shall:

1. Prepare a comprehensive listing of the state mandates placed on municipalities that are considered by the affected units of government to be deserving of analysis and review;

2. Identify for each listed mandate the precise legal origin of the mandate, whether state law or rule, a combination of both or any other originating authority. The Intergovernmental Advisory Group shall also provide notice and analysis of federal mandates that contribute to or conflict with specific state mandates on municipalities;

3. Identify the statewide local government costs of each listed mandate within the limits of practicability; and

4. Identify the characteristics of each listed mandate that cause the affected units of government to
