CHAPTER 103

H.P. 882 - L.D. 1285

Resolve, Directing the Secretary of State To Develop a Titling System for Mobile Homes

Sec. 1. Mobile home titling system. Resolved: That the Secretary of State shall develop a titling system for new mobile homes. In developing the system, the Secretary of State shall review the Final Report of the Study Group on the Title of Certain Personal Property, dated January 15, 2004. In conducting its review, the Secretary of State may invite the participation of interested stakeholders, including, but not limited to, the Manufactured Housing Board; the Manufactured Housing Association of Maine; the Maine Credit Union League; the Maine Bankers Association; and the Maine Association of Community Banks; and be it further

Sec. 2. Submission of proposal. Resolved: That the Department of the Secretary of State shall submit a proposal related to the system developed pursuant to section 1, along with any necessary implementing legislation, for presentation to the Second Regular Session of the 122nd Legislature. The department is authorized to introduce a bill related to its proposal to the Second Regular Session of the 122nd Legislature at the time of submission of its proposal.

See title page for effective date.

CHAPTER 104

H.P. 881 - L.D. 1284

Resolve, Regarding Increased Reimbursement for Physicians Caring for MaineCare Members

Sec. 1. Development of standards. Resolved: That the Department of Health and Human Services shall convene a working group of interested parties to develop standards for the distribution of \$3,000,000 in funding appropriated to the MaineCare program for physician incentive payments for increased reimbursement for caring for MaineCare members. In developing the standards, the working group shall consider increased reimbursement based on the number of MaineCare members cared for by the physician, the need for increased access to specialty services and incentives to encourage physicians to increase the number of MaineCare members cared for in the physicians' practices. The department shall report to the Joint Standing Committee on Health and Human Services by January 15, 2006 on the standards selected by the working group for distribution of the \$3,000,000 in increased physician incentive payment funding.

See title page for effective date.

CHAPTER 105

H.P. 987 - L.D. 1423

Resolve, Directing the Department of Professional and Financial Regulation and the Maine Community College System To Develop a Proposal To Certify Home Repair Tradespersons To Perform Limited Plumbing and Electrical Work

Sec. 1. Development of proposal. Resolved: That the Department of Professional and Financial Regulation and the Maine Community College System, referred to in this resolve as "the department" and "the system," respectively, shall jointly develop a proposal to establish a certification program for home repair and renovation tradespersons to perform limited plumbing and electrical work. In developing this proposal, the department and the system shall:

A. Consider the establishment of a level of certification that requires less training and experience than is currently required under the laws governing plumbers in the Maine Revised Statutes, Title 32, chapter 49 and the laws governing electricians in Title 32, chapter 17; and

B. Consider whether a person who is certified under the new level of certification should be affiliated with or work under the direct supervision of a professional licensed under Title 32, chapter 17 or 49; and be it further

Sec. 2. Input of interested parties. Resolved: That, in developing the proposal, the department and the system shall solicit input from interested parties, including, but not limited to:

A. The Electricians' Examining Board, established by the Maine Revised Statutes, Title 5, section 12004-A, subsection 13;

B. The Plumbers' Examining Board, established by Title 5, section 12004-A, subsection 32; and

C. Consumers of home repair, plumbing and electrical services; and be it further

Sec. 3. Report. Resolved: That, no later than December 7, 2005, the department and the system
