CHAPTER 138**H.P. 1267 - L.D. 1827****Resolve, Directing the Department of Professional and Financial Regulation To Study Prescription Drug Labeling Requirements**

Sec. 1. Prescription drug labeling practices. Resolved: That the Department of Professional and Financial Regulation shall review the following: current statutory requirements for prescription drug labeling, pharmacy practices in the area of prescription drug labeling and the methods used by pharmacists to inform consumers about their prescription drugs and any substitutions made to prescriptions; and be it further

Sec. 2. Report. Resolved: That the Department of Professional and Financial Regulation shall report to the joint standing committee of the Legislature having jurisdiction over business, research and economic development matters by January 15, 2007 its findings under section 1 and its recommendations for best practices in prescription drug labeling and for enhancing methods for providing consumer information and education in this area. The joint standing committee may report out legislation on prescription drug labeling practices to the First Regular Session of the 123rd Legislature.

See title page for effective date.

CHAPTER 139**S.P. 596 - L.D. 1614****Resolve, Regarding Comprehensive Community Health Coalitions**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the development of core competencies, functions and performance standards for comprehensive community health coalitions before the end of 2006 is important to the operation of Maine's public health system; and

Whereas, inventorying resources and developing a plan to integrate some funding sources to support the public health functions identified in the State Health Plan during 2006 are important to Maine's public health system; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of

the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Comprehensive community health coalitions. Resolved: That the Department of Health and Human Services shall recognize and partner with comprehensive community health coalitions to provide public health assessment, education and services. Comprehensive community health coalition functions may include, but are not limited to, needs assessment; development of a community action plan; leveraging and coordinating resources, funding and programs; monitoring quality of life indicators; communication; technical assistance; and evaluation of health initiatives; and be it further

Sec. 2. Public Health Work Group. Resolved: That the Public Health Work Group created under the State Health Plan shall establish 2 subcommittees, the Coalition Core Competencies Subcommittee and the Interdepartmental Subcommittee, and appoint the members of those subcommittees in compliance with the following:

1. The Coalition Core Competencies Subcommittee must be cochaired by the member of the Maine Network of Healthy Communities and the member of the Maine Center for Public Health that sit on the Public Health Work Group. The subcommittee shall develop core competencies, functions and performance standards for comprehensive community health coalitions. The subcommittee shall report on its work to the Public Health Work Group and to the Joint Standing Committee on Health and Human Services by August 30, 2006; and

2. The Interdepartmental Subcommittee members must include representatives of Communities for Children, the Governor's Office of Health Policy and Finance, the Department of Health and Human Services and that department's Office of Substance Abuse and Maine Center for Disease Control and Prevention, the Department of Education, the Department of Corrections, the Department of Conservation and the Department of Transportation. The subcommittee shall inventory resources and develop a plan to integrate some funding sources to support the public health priorities and functions identified in the State Health Plan. Each state agency member of the subcommittee shall determine how to integrate the core competencies, functions and performance standards into the work and funding decisions of that member's agency. The subcommittee shall report on its work to the Public Health Work Group and to the Joint Standing Committee on Health and Human Services by October 30, 2006.
