that sell prepaid wireless telephone service offered by service providers and any other entities the commission believes should be included to ensure adequate and appropriate stakeholder representation; and be it further

Sec. 2. Issues examined. Resolved: That the stakeholder group shall consider ways of calculating the E-9-1-1 surcharge to achieve reasonable equivalency with the surcharge imposed on other telecommunications services and means of collecting the surcharge that are competitively neutral, but the stakeholder group may consider and examine any means of collecting and remitting the surcharge that it determines appropriate.

The stakeholder group shall consider costs, flexibility, efficiencies and enforcement of the means of collecting and remitting the surcharge from the perspective of the commission, service providers, retailers and end users; and be it further

Sec. 3. Report; authority to report out legislation. Resolved: That the Public Utilities Commission shall report to the joint standing committee of the Legislature having jurisdiction over utilities and energy matters by January 1, 2007 the results of and recommendations produced by the stakeholder group. The report must include suggested legislation to implement any recommendations of the stakeholder group. If the stakeholder group fails to reach agreement or if for any other reason the commission determines it appropriate to provide its own separate recommendations on the subject matter of this resolve, the commission may include its own analysis and recommendations in the report, including any suggested legislation to implement its recommendations.

The joint standing committee of the Legislature having jurisdiction over utilities and energy matters may report out legislation relating to the subject matter of this resolve to the First Regular Session of the 123rd Legislature.

CHAPTER 164

H.P. 1396 - L.D. 1994

Resolve, To Preserve Patient Records

Sec. 1. Rules. Resolved: That no later than January 1, 2007, the Department of Health and Human Services shall amend the rules regarding licensing for general and specialty hospitals and ambulatory surgical facilities to require that hospitals and facilities that record images of a patient using x rays, magnetic resonance imaging or computerized tomography provide notice of intent to destroy or purge those images. The rules must provide that the hospital or facility may provide the required notice through publication in a newspaper that has broad general circulation in the region served by the hospital or facility or directly to the patient prior to or after taking the image. Rules adopted pursuant to this section are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.
