23. Working waterfront. "Working waterfront" means a parcel of land abutting water subject to tidal influence or land located in the intertidal zone that is used primarily or predominantly to provide access to or support the conduct of commercial fishing and marine activities. For purposes of this subsection, "parcel" includes an entire unit of real estate notwithstanding the fact that it is divided by a road, way, railroad or pipeline.

Sec. 4. 30-A MRSA §5250-I, sub-§24 is enacted to read:

24. Working waterfront industry. "Working waterfront industry" means an industry primarily involved in supporting commercial fishing, marine and boat building activities.

Sec. 5. 30-A MRSA §5250-J, sub-§4-A is enacted to read:

4-A. Catastrophic occurrence; benefits. A qualified Pine Tree Development Zone business whose primary purpose is to support the State's working waterfront industry may apply for an adjustment of the base level of employment as described in this section, if it meets the following criteria:

A. It is located on a working waterfront in a Pine Tree Development Zone;

B. It has sustained at least a 5% loss of employed workers due to a catastrophic occurrence; and

C. It has appropriate infrastructure and zoning or other land use regulations in place.

For the purposes of this section and calculation of Pine Tree Development Zone benefits in section 5250-I, subsection 14, the base level of employment may be adjusted to mean 25% of the average number of employees of that business over the 3 months immediately preceding the catastrophic occurrence. A qualified business must apply for an adjustment of the base level of employment within 16 months of the catastrophic occurrence. Applications pursuant to this subsection must be received by August 1, 2011.

Sec. 6. 36 MRSA §6753, sub-§4, as amended by PL 2005, c. 351, §21, is further amended to read:

Pursuant to Title 30-A, section 5250-J, subsection 4-A, "base level of employment" may be adjusted to mean 25% of the average number of employees of that business over the

CHAPTER 22

H.P. 76 - L.D. 92

An Act Pertaining to the Quality Child Care Education Scholarship Fund

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, pursuant to Public Law 1999, chapter 401, Part 000, section 5 and Public Law 1999, chapter 783, section 1, the Quality Child Care Education Scholarship Fund was established, and the Finance Authority of Maine was authorized to adopt rules for determining amounts of scholarships, among other things; and

Whereas, the Finance Authority of Maine has adopted a rule that currently sets scholarship amounts at \$500 per eligible course for an annual maximum disbursement of \$2,000 per student; and

Whereas, Public Law 2007, chapter 683, Part B, section 3 directed the Finance Authority of Maine to amend its rule to increase the annual maximum scholarship disbursement from \$2,000 to \$3,000 without providing additional funding; and

Whereas, increasing the annual maximum disbursement will result in fewer students receiving scholarships and is not in the best interests of the scholarship program or Maine students; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:

Sec. 1. PL 2007, c. 683, Pt. B, §3 is repealed.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 9, 2009.
