The partial benefit is equal to the weekly benefit amount less the individual's weekly earnings in excess of \$25. ~~Any amount received from the Federal Government by members of the National Guard and organized reserve, including base pay and allowances or any amounts received as a volunteer firefighter, as a volunteer emergency medical services person or as elected members of the Legislature, is not considered wages for the purpose of this subsection. The following amounts are not considered wages for purposes of this subsection:~~

Sec. 2. 26 MRSA §1192, sub-§6-A, as enacted by PL 1981, c. 548, §2, is amended to read:

6-A. Prohibition against disqualification of individuals in approved training under the United States Trade Act of 1974. Notwithstanding any other provisions of this chapter, no otherwise eligible individual may be denied benefits for any week because

~~he the individual is in training approved under 19 United States Code, Section 2296(a) or under any amendment or addition to the United States Trade Act of 1974, Section 236 (a) (1), nor may that individual be denied benefits by reason of leaving work to enter that training, provided the work left is not suitable employment, or because of the application to any such week in training of provisions in this chapter, or any applicable federal unemployment compensation law, relating to availability for work, active search for work or refusal to accept work. Benefits paid to any eligible claimant while in such training for which, except for this subsection, the claimant could be disqualified under section 1193, subsection 1 or 3, shall may not be charged against the experience rating record of any employer but shall must be charged to the General Fund.~~
