5. Signatures of outgoing officers; negotiability. If an official of the authority whose signature appears on a bond or coupon issued under this article ceases to be an official before the bond is delivered, the signature is nevertheless valid for all purposes as if the official had remained in office until the delivery. Notwithstanding contrary provisions of law, bonds issued under this article are fully negotiable.

6. Bond recitation; conclusive presumptions. In actions or proceedings involving the validity or enforceability of a bond issued under this article or the security for that bond, a bond reciting in substance that it has been issued by the authority in connection with an activity is conclusively deemed to have been issued for that purpose and the activity is conclusively deemed to have been planned, located and carried out in accordance with this article.

It is the purpose of this section to authorize persons, political subdivisions and officers, public or private, to use funds owned or controlled by them for the purchase of these bonds or other obligations. This section does not relieve a person of any duty or of exercising reasonable care in selecting securities.
