CHAPTER 44

H.P. 266 - L.D. 333

Resolve, Directing the Department of Environmental Protection To Evaluate and Amend Its Rules Regarding Snow Dumps

Sec. 1. Snow dumps rules. Resolved: That the Department of Environmental Protection shall review its rules established pursuant to the Maine Revised Statutes, Title 38, section 413, subsection 2-B regarding snow dumps. In its review, the department shall evaluate:

1. Provisions in the rules that require certain municipalities to obtain a waste discharge license for off-site storage or disposal of snow;

2. The State's obligations under the Federal Water Pollution Control Act and the State's interest in retaining its delegated authority to grant permits under the Federal Water Pollution Control Act;

3. How the rules may be amended to expedite the licensing process for municipalities that cannot be exempted from the waste discharge licensing requirement. The department shall consider establishing a general permit process or a permit by rule process for snow dumps; and

4. Licensing fees for municipalities; and be it further

Sec. 2. Amend rules. Resolved: That, after the review undertaken pursuant to section 1 of this resolve, the Department of Environmental Protection shall amend its rules regarding snow dumps so the rules do not conflict with the Federal Water Pollution Control Act. Rules adopted pursuant to this resolve are routine technical rules as defined in the Maine Revised Statutes, Title 5, chapter 375, subchapter 2-A.

See title page for effective date.

CHAPTER 45

H.P. 301 - L.D. 375

Resolve, Directing the Commissioner of Professional and Financial Regulation To Convene a Working Group To Review the Laws and Rules Governing Boilers

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the laws and rules governing the periodic inspections of boilers are critical to protecting Maine citizens from the danger of boilers failing and exploding; and

Whereas, the lack of uniformity in the State's regulation and inspection of boilers within public places should be reviewed to determine how to improve safety standards and the overall process for inspection of boilers throughout the State; and

Whereas, this resolve requires that a working group be convened in time for a report to be submitted to the Second Regular Session of the 125th Legislature; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preserva-
