2. Chairs. The first-named Senator is the Senate chair of the advisory committee and the first-named member of the House of Representatives is the House chair of the advisory committee.

3. Appointments; convening. All appointments must be made no later than 30 days following passage of this order. The appointing authorities shall notify the Executive Director of the Legislative Council once all appointments have been made. 4. Duties. The advisory committee shall:

A. Advise the Legislature regarding the interests of individuals and employers with respect to any exchange that may be created for this State;

B. Serve as a liaison between any exchange and individuals and small businesses enrolled in the exchange;

C. Evaluate the implementation and operation of any exchange with respect to the following:

(4) The coordination between the state Medicaid program and the exchange;

(5) Whether health insurance coverage through the exchange is affordable for individuals and small businesses, including whether individual subsidies are adequate;

(6) Whether the exchange is effective in providing access to health insurance coverage for small businesses;

(7) The implementation of rebates under the federal Patient Protection and Affordable Care Act and the Maine Revised Statutes, Title 24-A, section 4319; and

(8) The coordination of plan management activities between the Department of Professional and Financial Regulation, Bureau of Insurance and the exchange, including the certification of qualified health plans and rate review;

D. In conducting the study, the advisory committee shall consider the affordability of coverage for low-income populations, the potential cost savings to the state Medicaid program, the systems needed to create a seamless transition between a basic health program and Medicaid coverage, the impact of a basic health program on the negotiation of rates or receipt of rebates and the cost-effectiveness of delivering coverage through a basic health program; and

E. Based on the evaluations conducted by the advisory committee pursuant to this order, make recommendations for any changes in policy or law that would improve the operation of an exchange for consumers and small businesses in the State.

5. Compensation. The legislative members of the advisory committee are entitled to receive the legislative per diem, as defined in the Maine Revised Statutes, Title 3, section 2, and reimbursement for travel and other necessary expenses related to their attendance at authorized meetings of the advisory committee. Public members not otherwise compensated by their employers or other entities that they represent are entitled to receive reimbursement of necessary expenses and, upon a demonstration of financial

hardship, a per diem equal to the legislative per diem for their attendance at authorized meetings of the advisory committee.

6. Quorum. A quorum is a majority of the members of the advisory committee.

7. Meetings. The advisory committee shall meet at least 4 times a year at regular intervals and may meet at other times at the call of the chairs. Meetings of the advisory committee are public proceedings as provided by the Maine Revised Statutes, Title 1, chapter 13, subchapter 1.

In addition, the advisory committee may contract for administrative, professional and clerical services if funding permits.

The Legislative Council on behalf of the advisory committee may apply for and receive funds, grants or contracts from public and private sources to support its activities. Contributions to support the work of the advisory committee may not be accepted from any party having a pecuniary or other vested interest in the outcome of the matters being studied. Any person, other than a state agency, desiring to make a financial or in-kind contribution shall certify to the Legislative Council that it has no pecuniary or other vested interest in the outcome of the advisory committee's activities. Such a certification must be made in the manner prescribed by the Legislative Council. All contributions are subject to approval by the Legislative Council. All funds accepted must be forwarded to the Executive Director of the Legislative Council along with

an accounting record that includes the amount of funds, the date the funds were received, from whom the funds were received and the purpose of and any limitation on the use of those funds. The Executive Director of the Legislative Council shall administer any funds received by the advisory committee.

11. Reports. The advisory committee shall submit to the Joint Standing Committee on Insurance and Financial Services a preliminary report on its activities no later than December 4, 2013. The advisory committee shall submit to the Joint Standing Committee on Insurance and Financial Services a final report on its activities no later than November 5, 2014, and shall include in its report a review and evaluation of the continued necessity of a state health exchange advisory committee, including the staffing and funding needs of such an advisory committee, recommendations as to whether such an advisory committee should be established by the 127th Legislature and whether any changes should be made to the Maine Revised Statutes governing such an advisory committee.
