justed for inflation to the year prior to the allocation year, then the career and technical education center or career and technical education region may not receive more than the adjusted expenditures plus 5%.

The commissioner shall authorize monthly payment of allocations to career and technical education centers and career and technical education regions in an amount equal to 1/12 of the total allocation. Payments for satellite programs as approved pursuant to chapter 313 must be made within this schedule to the responsible career and technical education center or career and technical education region; it is the responsibility of the career and technical education center or career and technical education region to provide the state support for the approved satellite program to the school administrative unit that operates the approved satellite program.

If a school administrative unit operating a career and technical education center or career and technical education region has any unexpended funds at the end of the fiscal year, these funds must be carried forward for the purposes of career and technical education.

**Sec. 9. 20-A MRSA §15688-A, sub-§8** is enacted to read:

**8. Pilot projects for middle school career and technical education exploration.** Beginning in fiscal year 2018-19 and for the 2 subsequent fiscal years, the commissioner may expend and disburse funds to career and technical education centers and career and technical education regions for pilot projects for middle school level plans approved pursuant to chapter 313 to create career and technical education exploration programs for middle school level students. The commissioner, in collaboration with career and technical education directors, also may contract for services to implement pilot projects for middle school level plans. A middle school level plan must demonstrate to the commissioner a partnership between a school administrative unit and a career and technical education center or career and technical education region.

**Sec. 10. Report.** The Commissioner of Education shall report to the joint standing committee of the Legislature having jurisdiction over education and cultural affairs by January 15, 2019 on the Department of Education's progress in formalizing the components of the funding model for career and technical education and to address the framework for the evaluation of the proposed middle school career and technical education exploration pilot projects, including a proposed definition of "career and technical education exploration."

**CHAPTER 421  
S.P. 94 - L.D. 320**

**An Act To Provide MaineCare Coverage for Chiropractic Treatment**

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 22 MRSA §3174-AAA** is enacted to read:

**§3174-AAA. Chiropractic services reimbursement**

**1. Reimbursement.** The department shall reimburse under the MaineCare program for chiropractic evaluation and management examinations performed by a chiropractic doctor licensed under Title 32, chapter 9 that are within the scope of practice of chiropractic doctors. This subsection does not limit reimbursements under the MaineCare program that may be available for other chiropractic services or affect any limits that may apply to reimbursements such as limits relating to numbers of visits.

**2. Rulemaking.** The department may adopt rules to implement this section. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

**Sec. 2. Appropriations and allocations.** The following appropriations and allocations are made.

**HEALTH AND HUMAN SERVICES,  
DEPARTMENT OF**

**Medical Care - Payments to Providers 0147**
