**Whereas**, currently the Washington County Budget Advisory Committee has an even number of voting members and, in order to properly perform its duties regarding the 2019 county budget, a mechanism to prevent future tie votes needs to be in place prior to September of this year; and

**Whereas**, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
