H.P. 421 - L.D. 577

An Act To Increase Access to  
Nutritious Foods in Schools by  
Implementing an After-school  
Food Program for At-risk  
Students

Be it enacted by the People of the State of  
Maine as follows:

Sec. 1. 20-A MRSA §6602, sub-§1, ¶D is  
enacted to read:

D. A school administrative unit shall participate  
in the federal child and adult care food program  
established in 42 United States Code, Section  
1766 as required under this paragraph. The com-  
missioner shall assist school administrative units  
subject to the requirements of this paragraph in  
developing a plan to participate in the federal  
child and adult care food program to serve at-risk  
students who attend after-school programming  
and in obtaining federal, state and private funds to  
pay for this program. Beginning with the 2019-  
2020 school year, a school administrative unit  
with at least one public school in which at least  
50% of students qualified for a free or reduced-  
price lunch during the preceding school year shall

ject to the provisions of this paragraph.

Notwithstanding other provisions of this para-  
graph, a school administrative unit that is required

gram may choose not to operate such a program if  
it determines by a vote of the governing body of  
the school administrative unit after notice and a  
public hearing that operating such a program  
would be financially or logistically impracticable.
