CHAPTER 547

H.P. 1054 - L.D. 1442

**An Act To Provide for
Court-appointed Advocates for
Justice in Animal Cruelty
Cases**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 7 MRSA §4016, sub-§1-A is enacted to read:

1-A. Separate advocate. In any proceeding brought under this section, the court may order, upon its own initiative or upon request of a party or counsel for a party, that a separate advocate be appointed to represent the interests of justice. A decision of the court denying a request to appoint a separate advocate to represent the interests of justice is not subject to appeal. An advocate appointed under this subsection must be

appointed from a list provided to the court by the Maine State Bar Association pursuant to paragraph B.

A. The advocate may:

- (1) Monitor the proceeding;
- (2) Consult any individual with information that could aid the judge or fact finder and review records relating to the condition of the animal and the defendant's actions, including, but not limited to, records from animal control officers, veterinarians and law enforcement officers;
- (3) Attend hearings; and
- (4) Present information or recommendations to the court pertinent to determinations that relate to the interests of justice, as long as the information and recommendations are based solely on the duties undertaken pursuant to this subsection.

B. The Maine State Bar Association shall maintain a list of attorneys with knowledge of animal issues and the legal system and a list of law schools that have students with an interest in animal issues and the legal system. Attorneys and law students serve on a voluntary basis as advocates under this subsection.

Sec. 2. 17 MRSA §1031, sub-§3-C is enacted to read:

3-C. Separate advocate. In any proceeding brought under this section, the court may order, upon its own initiative or upon request of a party or counsel for a party, that a separate advocate be appointed to represent the interests of justice. A decision of the court denying a request to appoint a separate advocate to represent the interests of justice is not subject to appeal. An advocate appointed under this subsection must be appointed from a list provided to the court by the Maine State Bar Association pursuant to paragraph B.

A. The advocate may:

- (1) Monitor the proceeding;
- (2) Consult any individual with information that could aid the judge or fact finder and review records relating to the condition of the animal and the defendant's actions, including, but not limited to, records from animal control officers, veterinarians and law enforcement officers;
- (3) Attend hearings; and
- (4) Present information or recommendations to the court pertinent to determinations that relate to the interests of justice, as long as the information and recommendations are based solely on the duties undertaken pursuant to this subsection.

B. The Maine State Bar Association shall maintain a list of attorneys with knowledge of animal issues and the legal system and a list of law schools that have students with an interest in animal issues and the legal system. Attorneys and law students serve on a voluntary basis as advocates under this subsection.

CHAPTER 548

H.P. 1111 - L.D. 1518

An Act To Establish a Fund for Portions of the Operations and Outreach Activities of the University of Maine Cooperative Extension Diagnostic and Research Laboratory

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 7 MRSA c. 419 is enacted to read:

CHAPTER 419

TICK LABORATORY AND PEST MANAGEMENT FUND

§2471. Tick Laboratory and Pest Management Fund

The Tick Laboratory and Pest Management Fund, referred to in this chapter as "the fund," is established. The fund is nonlapsing, is administered by the University of Maine at Orono and consists of funds derived from the pesticide container fee under Title 36, section 4911, appropriations and allocations to the fund and funds from other public and private sources. The fund, to be accounted within the University of Maine at Orono, must be held separate and apart from all other money, funds and accounts. Eligible investment earnings credited to the assets of the fund become part of the assets of the fund. Any balance remaining in the fund must be disbursed on a quarterly basis to the University of Maine at Orono.

§2472. Expenditures from the fund

Funds in the fund must be distributed by the University of Maine at Orono as provided in this section.

1. Pesticide container fee reimbursement. Funds must be provided for ongoing reimbursement to the State Tax Assessor on a monthly basis by the 15th of the month following collection, to pay for administrative costs not to exceed \$40,000 annually from collection of the pesticide container fee imposed under Title 36, section 4911.

2. Registered pesticides. Funds must be provided for ongoing reimbursement, not to exceed \$60,000 annually, to the Board of Pesticides Control, established in Title 5, section 12004-D, subsection 3 and referred to in this chapter as "the board," to generate and maintain a list of pesticides registered with the board pursuant to section 607 and answer inquiries relating to the list. The board shall post on its publicly accessible website, a list of currently registered pesticide products.

3. Administrative costs. Funds must be provided for ongoing reimbursement to the University of Maine at Orono for administrative costs not to exceed 10% of the balance remaining in the fund after the amounts under subsections 1 and 2 are subtracted.

4. Pest management education. Twenty-five percent of the balance remaining in the fund after the amounts under subsections 1, 2 and 3 are subtracted must be provided to the University of Maine Cooperative Extension pest management unit for outreach and education initiatives on pest management and pesticide safety and pesticide application and use, particularly for homeowners and other individuals using pesticides.

5. Tick laboratory costs. Fifty percent of the balance remaining in the fund after the amounts under subsections 1, 2 and 3 are subtracted must be provided to the University of Maine Cooperative Extension pest management unit for nonadministrative costs related to a tick laboratory, including, but not limited to:

- A. Testing ticks provided by residents of the State for pathogenic organisms;
- B. General tick laboratory operations;
- C. Salaries;
- D. Tick management research, demonstrations and educational outreach, including community integrated pest management and developing educational materials;
- E. Equipment, materials and supplies;
- F. Facility expansion; and
- G. Medical and veterinary pest management focusing on health-related issues caused by ticks and other arthropods as needed.

6. Pest research. Twenty-five percent of the balance remaining in the fund after the amounts under subsections 1, 2 and 3 are subtracted must be provided to the University of Maine at Orono or to an entity in collaboration with the University of Maine at Orono for a pest research project to be identified every 3 years by a pest research committee designated by the University of Maine at Orono, the University of Maine System and the department in the 2nd year of the project. The pest research committee under this subsection consists of 7 members, including:
