Fundy**

**Be it enacted by the People of the State of Maine
as follows:**

Sec. 1. 12 MRSA §6440, as amended by PL 2017, c. 32, §1, is further amended by adding at the end a new paragraph to read:

Notwithstanding subsection 1, a person may raise or haul any lobster trap from September 1st to October 31st, both days inclusive, during any time of the day in an area in the Bay of Fundy that encompasses approximately 210 square miles around Machias Seal Island where there are overlapping claims of sovereignty by the United States and Canada if that person is authorized to fish in the lobster management zone established pursuant to section 6446 in which the area described is located. CHAPTER 569

S.P. 719 - L.D. 2029

**An Act To Make March Maine
Childhood Cancer Awareness
Month**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, Maine has one of the highest rates of childhood cancer in the nation; and

Whereas, federal funding for childhood cancer research is historically less than 5% of the total amount allocated for cancer research; and

Whereas, Public Law 2019, chapter 433, "An Act To Advance Children's Cancer Research in Maine," added an option on Maine's tax return form allowing a Maine taxpayer entitled to a tax refund to designate a portion of that refund to be paid into the Maine Children's Cancer Research Fund; and

Whereas, many Maine taxpayers will file tax forms before the expiration of the 90-day period; and

Whereas, if this Act becomes effective before March 1st, the Governor will issue a proclamation in March that will increase the public's awareness of childhood cancer and may elicit contributions by taxpayers to the Maine Children's Cancer Research Fund; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

**Be it enacted by the People of the State of Maine
as follows:**

Sec. 1. 1 MRSA §150-O is enacted to read:

**§150-O. Maine Childhood Cancer Awareness
Month**

The month of March of each year is designated as Maine Childhood Cancer Awareness Month, and the Governor shall annually issue a proclamation inviting and urging the people of the State to observe the month through appropriate activities and to become informed about childhood cancer.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective February 25, 2020.

CHAPTER 570
