dedicated to payment of costs and related expenses of restoration, enhancement, preservation and creation projects. The department may make payments from the fund consistent with the purpose of the fund. Income received under this subsection must be deposited with the State Treasurer to the credit of the compensation fund and may be invested as provided by law. Interest on these investments must be credited to the compensation fund.

(2) The department may enter into an enforceable, written agreement with a public, quasi-public or municipal organization or a private, nonprofit organization for the protection of natural areas. Such an organization must demonstrate the ability to receive compensation fees, administer a compensation fund and ensure that compensation projects are implemented consistent with local, regional or state management priorities. If compensation fees are provided to an authorized organization, the organization shall maintain records of expenditures and provide an annual summary report as requested by the department. If the authorized agency is a state agency other than the department, the agency shall establish a fund meeting the requirements specified in subparagraph (1). If the organization does not perform in accordance with this subsection or with the requirements of the written agreement, the department may revoke the organization's authority to conduct activities in accordance with this subsection.

Rules adopted pursuant to this subsection are routine technical rules under Title 5, chapter 375, subchapter 2-A.

Sec. 3. 38 MRSA §480-Z, sub-§7, ¶¶D and E, as enacted by PL 2007, c. 527, §1, are amended to read:

D. High and moderate value waterfowl and wading bird habitat, including nesting and feeding areas; ~~and~~

E. Shorebird nesting, feeding and staging areas; ~~and~~
