CHAPTER 32

H.P. 848 - L.D. 1159

Resolve, To End Hunger in Maine by 2030

Preamble. Whereas, the Legislature finds that, for the economic and social well-being of the people of the State, all people must be free from hunger, food insecurity, malnutrition, starvation or endangerment of life from scarcity of or lack of access to nourishing and culturally appropriate food; and

Whereas, the human, social and economic costs of hunger, food insecurity and malnutrition to the State are enormous and far reaching, leading to lost productivity, health-related problems, reduced well-being, decreased learning ability, reduced fulfilment of human potential and social and political unrest that undermines development efforts; and

Whereas, one in 4 children in Maine goes to bed hungry every night, 37% of the Maine people who face hunger, food insecurity or malnutrition do not qualify for any public assistance and Maine ranks first in New England and 9th in the nation for food insecurity; and

Whereas, many emergency food relief sites in the State regularly lack fresh fruits and vegetables and other nutrient-dense foods for residents struggling with hunger, food insecurity or malnutrition; and

Whereas, for the consumer, producer and the environment, the cost of food produced by and for the global industrial food system has risen in the last decade; and

Whereas, 90% of the food Maine people consume is imported from elsewhere; and

Whereas, Maine has all the natural resources and hard-working, self-reliant people to grow, catch, harvest and process enough food to reduce imports and provide the people of the State with a diet based more on Maine-produced foods and yet state food policy to date has not significantly reduced hunger, food insecurity or malnutrition for the people of the State; now, therefore, be it

The strategic plan designed under this resolve must at least:
