PUBLISHED BY THE REVISOR OF STATUTES
IN ACCORDANCE WITH THE MAINE REVISED STATUTES ANNOTATED,
TITLE 3, SECTION 163-A, SUBSECTION 4.

Augusta, Maine
2019

1. Use existing programs, staff and resources to the extent possible;

2. Define and articulate the scope of the food and nutrition situation in the State, including accurate data and information related to the contribution of relevant sectors on nutrition, food consumption and production, food distribution systems, household incomes and other relevant demographic data, in order to address the multiple dimensions of hunger, food insecurity and malnutrition;

3. Include any recommendations of legislative commissions, task forces, working groups or studies on ending hunger for any targeted population that will prove effective for the general population;

4. Determine any disproportionate impact of hunger, food insecurity or malnutrition on people living in food deserts across the State and include proposals to close those gaps more quickly as the State moves toward eradicating hunger;

5. Determine the barriers to access to healthy and culturally appropriate food and include proposals to eliminate those barriers for persons who struggle with intergenerational hunger, food insecurity or malnutrition and for persons who struggle with intermittent hunger, food insecurity or malnutrition;

6. Balance supply-side policies and solutions such as increasing agricultural productivity and accessing markets, investing in family farms, small-scale fisheries and forestry and fostering governance of land tenure and natural resources with policies and solutions that promote food self-sufficiency, including hunting, foraging and the policies outlined in the Maine Revised Statutes, Title 7, section 219;

7. Establish benchmarks and measurable outcomes based on sound evidence and analysis to monitor progress, assess impacts and interpret outcomes in order to ensure that actions bring the State closer to eradicating hunger, food insecurity and malnutrition by 2030; and

8. Identify and propose adequate resource allocation in order to translate policies, programs and legislation into concrete action.

Sec. 2. Initial design commencement. Resolved: That, no later than 30 days after the effective date of this resolve, the Department of Agriculture, Conservation and Forestry shall begin inviting interested parties, stakeholders and the departments outlined under section 1 to convene the first planning session.

Sec. 3. Initial design report. Resolved: That, by February 10, 2020, the Department of Agriculture, Conservation and Forestry shall submit a report to the Joint Standing Committee on Agriculture, Conservation and Forestry detailing the initial design for the plan under section 1. The committee is author-

ized to submit legislation based on the report to the Second Regular Session of the 129th Legislature.
