CHAPTER 1
H.P. 61 - L.D. 95

**RESOLUTION, Proposing an
Amendment to the Constitution
of Maine To Establish a Right
to Food**

Constitutional amendment. Resolved: Two thirds of each branch of the Legislature concurring, that the following amendment to the Constitution of Maine be proposed:

Constitution, Art. I, §25 is enacted to read:

Section 25. Right to food. All individuals have a natural, inherent and unalienable right to food, including the right to save and exchange seeds and the right to grow, raise, harvest, produce and consume the food of their own choosing for their own nourishment, sustenance, bodily health and well-being, as long as an individual does not commit trespassing, theft, poaching or other abuses of private property rights, public lands or natural resources in the harvesting, production or acquisition of food.

Constitutional referendum procedure; form of question; effective date. Resolved: That the municipal officers of this State shall notify the inhabitants of their respective cities, towns and plantations to meet, in the manner prescribed by law for holding a statewide election, at a statewide election held in the month of November following the passage of this resolution, to vote upon the ratification of the amendment proposed in this resolution by voting upon the following question:

"Do you favor amending the Constitution of Maine to declare that all individuals have a natural, inherent and unalienable right to grow, raise, harvest, produce and consume the food of their own choosing for their own nourishment, sustenance, bodily health and well-being?"

The legal voters of each city, town and plantation shall vote by ballot on this question and designate their choice by a cross or check mark placed within the corresponding square below the word "Yes" or "No." The ballots must be received, sorted, counted and declared in open ward, town and plantation meetings and returns made to the Secretary of State in the same manner as votes for members of the Legislature. The Governor

shall review the returns. If it appears that a majority of the legal votes are cast in favor of the amendment, the Governor shall proclaim that fact without delay and the amendment becomes part of the Constitution of Maine on the date of the proclamation.

Secretary of State shall prepare ballots. Resolved: That the Secretary of State shall prepare and furnish to each city, town and plantation all ballots, returns and copies of this resolution necessary to carry out the purposes of this referendum.

Effective pending referendum.
