**CHAPTER 3**

**S.P. 94 - L.D. 205**

**An Act To Extend the Ability of Restaurants and Bars To Serve Alcohol To Go**

**Emergency preamble.** Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

**Whereas**, the spread of the novel coronavirus disease referred to as COVID-19 has created a public health emergency; and

**Whereas**, in response to this public health emergency, the Governor issued an executive order on March 18, 2020 requiring all restaurants and bars, including tasting rooms, to close their dine-in facilities but permitting restaurants and bars to offer carry-out, delivery and drive-through food and beverage services, including carry-out, delivery and drive-through liquor sales; and

**Whereas**, although restaurants across the State were permitted to reopen June 17, 2020, restaurants are required to limit indoor seating capacity to prevent spread of the virus while the reopening of bars and tasting rooms has been postponed until further notice; and

**Whereas**, it is impossible to ascertain when the current public health emergency will abate, rendering the economic survival of restaurants, bars and tasting rooms dependent on their continued ability to provide carry-out, delivery and drive-through food and beverage services, including carry-out, delivery and drive-through liquor sales; and

**Whereas**, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 28-A MRSA §1056** is enacted to read:

**§1056. Authorized take-out and delivery sales of liquor; repeal**
