A. A registered political action committee that receives contributions or makes expenditures of \$10,000 or less in the aggregate for the purpose of influencing one or more ballot question campaigns in a calendar year is not required to register as a ballot question committee. The signed acknowledgment statement serves as notification of the responsibilities of the ~~political action~~ committee to comply with the financial reporting, record-keeping and other requirements of this chapter and the potential personal liability of the treasurer and principal officer for civil penalties assessed against the ~~political action~~ committee. The commission shall notify the ~~political action~~ committee of any individual who has failed to submit the acknowledgment statement. Failure to return the acknowledgment statement is a violation of this subchapter for which a fine of \$100 may be assessed against the ~~political action~~ committee. This section also applies to individuals named in an updated or amended registration required by this subsection who have not previously submitted an acknowledgment statement for the ~~political action~~ committee with the commission.

**5. Resignation and removal.** An individual who resigns as the treasurer, principal officer or primary decision maker of a ~~political action~~ committee shall submit a written resignation statement to the commission.

An individual's resignation is not effective until the commission receives the written resignation statement from the individual. The commission may prescribe forms for these purposes.

**Sec. 5. 21-A MRSA §1053-A**, as amended by PL 2019, c. 563, §5, is further amended to read:

**§1053-A. Municipal elections**

If an organization qualifies as a ~~political action~~ committee under section 1052, ~~subsection 5 or is a ballot question committee required to register under section 1056-B 2~~ and that organization receives contributions or makes expenditures to influence a municipal campaign in towns or cities with a population of 15,000 or more, that organization must register and file reports with the municipal clerk as required by Title 30-A, section 2502. The reports must be filed in accordance with the reporting schedule in section 1059 and must contain the information listed in section 1060. A committee registered with the commission and that receives contributions or makes expenditures relating to a municipal election shall file a copy of the report containing such contributions or expenditures with the clerk in the subject municipality. The commission retains the sole authority to prescribe the content of all reporting forms. The commission does not have responsibility to oversee the filing of registrations or campaign finance reports relating to municipal campaigns. If a municipal clerk becomes aware of a potential violation of this subchapter that the clerk considers to be substantial, the clerk may refer the matter to the commission for enforcement. The commission may conduct an investigation if the information referred by the municipal clerk shows sufficient grounds for believing that a violation may have occurred. After conducting the investigation, if the commission determines that a violation of this subchapter has occurred, the commission may assess penalties provided in this subchapter.

**Sec. 6. 21-A MRSA §1054**, as amended by PL 2019, c. 563, §7, is repealed and the following enacted in its place:

**§1054. Appointment of treasurer; segregated campaign account**

The committee shall deposit all funds contributed to or received by the committee for the purpose of initiating or influencing a campaign in the campaign account and shall finance all of the committee's expenditures to initiate or influence the campaign through the campaign account. If a business or corporate entity has established the committee, the campaign account must be segregated from the general treasury funds of the entity that established the committee. If the committee is established by one or more individuals, the campaign account must be segregated from and not commingled with the personal funds of those individuals.

**3. Exceptions.** The commission may adopt procedures by rule for waiving the requirement under subsection 2 to maintain a segregated campaign account upon a showing by a committee that a separate account would be administratively burdensome, including but not limited to committees organized outside this State or an individual who registers as a ballot question committee. If the committee was formed by another organization, that other organization may pay its employees for their campaign-related activities on behalf of the committee through its own treasury, rather than the campaign account. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.

**Sec. 7. 21-A MRSA §1054-A**, as amended by PL 2019, c. 563, §8, is further amended to read:

**§1054-A. Duties and liabilities of the treasurer, principal officer and primary decision maker of ~~political action~~ committees**

**1. Duties of the treasurer.** The treasurer of the ~~political action~~ committee shall ensure that the ~~political action~~ committee files and amends the ~~political action~~ committee's registration, files complete and accurate financial reports with the commission and maintains the ~~political action~~ committee's records as required by this chapter and the commission's rules. The treasurer is responsible for the ~~political action~~ committee's performance of these duties regardless of whether the treasurer has delegated administrative tasks related to these duties to another individual.

**2. Joint responsibilities of the treasurer and principal officer.** The treasurer and the principal officer are jointly responsible for the ~~political action~~ committee's compliance with the requirements of this chapter and the commission's rules. The treasurer and principal officer are responsible for accepting and responding to notices and correspondence from the commission on behalf of the ~~political action~~ committee.

**3. Participation in spending decisions.** An individual who is the treasurer, principal officer or primary

decision maker of the ~~political action~~ committee and who has signed the acknowledgment statement required by section 1052-A, subsection 4 is deemed to have participated in the pending decisions of the ~~political action~~ committee until the commission receives the individual's resignation statement or a notice of the individual's involuntary removal from the ~~political action~~ committee.

**4. Financial liability.** The commission may hold the treasurer and principal officer jointly and severally liable with the ~~political action~~ committee for any fines assessed against the ~~political action~~ committee for violations of this chapter and chapter 14. In addition, the commission may assess all or part of a fine against any other agent of the ~~political action~~ committee who is directly responsible for a violation, including individuals who have resigned or have been removed involuntarily from the ~~political action~~ committee. In deciding whether to assess a penalty against a treasurer, principal officer or any other individual, the commission may consider, among other things, whether the individual had actual knowledge of the action that constituted the violation or had authorized that action and whether the violation was intentional or caused by an error by a vendor or someone outside the control of the ~~political action~~ committee.

**Sec. 8. 21-A MRSA §1056-B,** as amended by PL 2019, c. 323, §23 and c. 563, §11, is repealed.

**3. Record of contributions.** The treasurer of a ~~political action~~ committee shall keep a record of all contributions to the ~~political action~~ committee, by name and mailing address, of each donor and the amount and date of the contribution. This provision does not apply to aggregate contributions from a single donor of \$50 or less for an election or referendum campaign. When any donor's contributions to a ~~political action~~ committee exceed \$50, the record must include the aggregate amount of all contributions from that donor.

**4. Account statements.** The treasurer of a ~~political action~~ committee shall keep account statements relating to the deposit of funds of the ~~political action~~ committee required by section 1054.

**5. Simplified record-keeping requirements.** The commission may adopt by rule simplified record-keeping requirements for an individual registering as a ballot question committee to initiate or influence a ballot question. Rules adopted pursuant to this subsection are routine technical rules as defined by Title 5, chapter 375, subchapter 2-A.
