- D. A rule of construction or presumption provided in the Act applies to a trust instrument executed prior to October 1, 2021 unless there is a clear indication of a contrary intent in the terms of the instrument.

3. Action before effective date of Act. Except as otherwise provided in subsection 2, an action done before October 1, 2021 is not affected by the Act.

§1206. Reasonable reliance

A trustee or other person that reasonably relies on the validity of a distribution of part or all of the property of a trust to another trust, or a modification of a trust, under this Act, a law of this State other than this Act or the law of another jurisdiction is not liable to any person for any action or failure to act as a result of the reliance.

- 1. Notice period. For purposes of this section, a notice period begins on the day notice is given under subsection 3 and ends 59 days after the day notice is given.
- 2. Exercise without consent or approval. Except as otherwise provided in this Act, an authorized fiduciary may exercise the decanting power without the consent of any person and without court approval.
- 3. Notice. Except as otherwise provided in subsection 4 or 6, an authorized fiduciary shall give notice in a record of the intended exercise of the decanting power not later than 60 days before the exercise to:

- A. Each settlor of the first trust, if living or then in existence;
- B. Each qualified beneficiary of the first trust;
- C. Each holder of a presently exercisable power of appointment over any part or all of the first trust;
- D. Each person that currently has the right to remove or replace the authorized fiduciary;

- E. Each other fiduciary of the first trust;
- F. Each fiduciary of the 2nd trust; and
- G. The Attorney General, if section 1213, subsection 2 applies.

4. Notice not required. An authorized fiduciary is not required to give notice under subsection 3 to a person that is not known to the fiduciary or is known to the fiduciary but cannot be located by the fiduciary after reasonable diligence.

5. Requirements of notice. A notice under subsection 3 must:

- A. Specify the manner in which the authorized fiduciary intends to exercise the decanting power;
- B. Specify the proposed effective date for exercise of the decanting power;
- C. Include a copy of the first-trust instrument; and
- D. Include a copy of all 2nd-trust instruments.

6. Waiver of notice period. The decanting power may be exercised before expiration of the notice period under subsection 1 if all persons entitled to receive notice waive the notice period in a signed record.

7. Right to file application. The receipt of notice, waiver of the notice period or expiration of the notice period does not affect the right of a person to file an application under section 1208 asserting that:

- A. An attempted exercise of the decanting power is ineffective because the exercise did not comply with this Act or was an abuse of discretion or breach of fiduciary duty; or
- B. Section 1221 applies to the exercise of the decanting power.

8. Failure to give notice; reasonable care. An exercise of the decanting power is not ineffective because of the failure to give notice to one or more persons under subsection 3 if the authorized fiduciary acted with reasonable care to comply with subsection 3.

§1208. Court involvement

1. Application to court. On application of an authorized fiduciary, a person entitled to notice under section 1207, subsection 3, a beneficiary or, with respect to a charitable interest, the Attorney General, the court may:

- A. Provide instructions to the authorized fiduciary regarding whether a proposed exercise of the decanting power is permitted under this Act and consistent with the fiduciary duties of the authorized fiduciary;

- C. Approve an exercise of the decanting power;
- D. Determine that a proposed or attempted exercise of the decanting power is ineffective because:

- (1) After applying section 1221, the proposed or attempted exercise does not or did not comply with this Act; or
- (2) The proposed or attempted exercise would be or was an abuse of the fiduciary's discretion or a breach of fiduciary duty;

E. Determine the extent to which section 1221 applies to a prior exercise of the decanting power;

F. Provide instructions to the trustee regarding the application of section 1221 to a prior exercise of the decanting power; or

G. Order other relief to carry out the purposes of this Act.

2. Court approval. On application of an authorized fiduciary, the court may approve:

- A. An increase in the fiduciary's compensation under section 1215; or
- B. A modification under section 1217 of a provision granting a person the right to remove or replace the fiduciary.

§1209. Formalities

An exercise of the decanting power must be made in a record signed by an authorized fiduciary. The signed record must, directly or by reference to the notice required by section 1207, identify the first trust and the 2nd trust or trusts and state the property of the first trust being distributed to each 2nd trust and the property, if any, that remains in the first trust.

§1210. Decanting power under expanded distributive discretion

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

- A. "Noncontingent right" means a right that is not subject to the exercise of discretion or the occurrence of a specified event that is not certain to occur. "Noncontingent right" does not include a right held by a beneficiary if any person has discretion to distribute property subject to the right to any person other than the beneficiary or the beneficiary's estate.
- B. "Presumptive remainder beneficiary" means a qualified beneficiary other than a current beneficiary.
- C. "Successor beneficiary" means a beneficiary that is not a qualified beneficiary on the date the beneficiary's qualification is determined. "Successor beneficiary" does not include a person that is a

beneficiary only because the person holds a nongeneral power of appointment.

D. "Vested interest" means:

(1) A right to a mandatory distribution that is a noncontingent right as of the date of the exercise of the decanting power;

(2) A current and noncontingent right, annually or more frequently, to a mandatory distribution of income, a specified dollar amount or a percentage of value of some or all of the trust property;

(3) A current and noncontingent right, annually or more frequently, to withdraw income, a specified dollar amount or a percentage of value of some or all of the trust property;

(4) A general power of appointment that is a presently exercisable general power of appointment; or

(5) A right, which is not subject to the exercise of discretion or to the occurrence of a specified event that is not certain to occur, to receive an ascertainable part of the trust property on the trust's termination.

2. Expanded distributive discretion over principal. Subject to subsection 3 and section 1213, an authorized fiduciary that has expanded distributive discretion over the principal of a first trust for the benefit of one or more current beneficiaries may exercise the decanting power over the principal of the first trust.

3. Restrictions on 2nd trust. Subject to section 1212, in an exercise of the decanting power under this section, a 2nd trust may not:

A. Include as a current beneficiary a person that is not a current beneficiary of the first trust, except as otherwise provided in subsection 4;

B. Include as a presumptive remainder beneficiary or successor beneficiary a person that is not a current beneficiary, presumptive remainder beneficiary or successor beneficiary of the first trust, except as otherwise provided in subsection 4; or

C. Reduce or eliminate a vested interest.

4. Permitted 2nd trust. Subject to subsection 3, paragraph C and section 1213, in an exercise of the decanting power under this section, a 2nd trust may be a trust created or administered under the law of any jurisdiction and may:

A. Retain a power of appointment granted in the first trust;

B. Omit a power of appointment granted in the first trust, other than a general power of appointment that is a presently exercisable power of appointment;

C. Create or modify a power of appointment if the powerholder is a current beneficiary of the first trust and the authorized fiduciary has expanded distributive discretion to distribute principal to the beneficiary; and

D. Create or modify a power of appointment if the powerholder is a presumptive remainder beneficiary or successor beneficiary of the first trust, but the exercise of the power of appointment may take effect only after the powerholder becomes, or would have become if then living, a current beneficiary.

5. Power of appointment; permissible appointees. A power of appointment described in subsection 4, paragraphs A to D may be general or nongeneral. The class of permissible appointees in favor of which the power may be exercised may be broader than or different from the class of beneficiaries of the first trust.

6. Expanded distributive discretion over part of principal. If an authorized fiduciary has expanded distributive discretion over part but not all of the principal of a first trust, the fiduciary may exercise the decanting power under this section over that part of the principal over which the authorized fiduciary has expanded distributive discretion.

§1211. Decanting power under limited distributive discretion

1. Limited distributive discretion defined. For purposes of this section, "limited distributive discretion" means a discretionary power of distribution that is limited to an ascertainable standard or a reasonably definite standard.

2. Limited distributive discretion over principal. An authorized fiduciary that has limited distributive discretion over the principal of the first trust for the benefit of one or more current beneficiaries may exercise the decanting power over the principal of the first trust.

3. Creation of 2nd trust; similar beneficial interests. Under this section and subject to section 1213, a 2nd trust may be created or administered under the law of any jurisdiction. Under this section, the 2nd trusts, in the aggregate, must grant each beneficiary of the first trust beneficial interests that are substantially similar to the beneficial interests of the beneficiary in the first trust.

4. Distribution for benefit of beneficiary. A power to make a distribution under a 2nd trust created pursuant to this section for the benefit of a beneficiary who is an individual is substantially similar to a power under the first trust to make a distribution directly to the beneficiary. A distribution is deemed to be for the benefit of a beneficiary if:

A. The distribution is applied for the benefit of the beneficiary;

B. The beneficiary is under a legal disability or the trustee reasonably believes the beneficiary is incapacitated and if the distribution is made as permitted under this Part; or

C. The distribution is made as permitted under the terms of the first-trust instrument and the 2nd-trust instrument for the benefit of the beneficiary.

5. Limited distributive discretion over part of principal. If an authorized fiduciary has limited distributive discretion over part but not all of the principal of a first trust, the fiduciary may exercise the decanting power under this section over that part of the principal over which the authorized fiduciary has limited distributive discretion.

§1212. Trust for beneficiary with disability

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Beneficiary with a disability" means a beneficiary of a first trust who the special-needs fiduciary believes may qualify for governmental benefits based on disability, whether or not the beneficiary currently receives those benefits or is an individual who is subject to a guardianship, a conservatorship or a protective arrangement.

B. "Governmental benefits" means financial aid or services from a state, federal or other public agency.

C. "Special-needs fiduciary" means, with respect to a trust that has a beneficiary with a disability:

(1) A trustee or other fiduciary, other than a settlor, that has discretion to distribute part or all of the principal of a first trust to one or more current beneficiaries;

(2) If no trustee or fiduciary has discretion under subparagraph (1), a trustee or other fiduciary, other than a settlor, that has discretion to distribute part or all of the income of the first trust to one or more current beneficiaries; or

(3) If no trustee or fiduciary has discretion under subparagraphs (1) and (2), a trustee or other fiduciary, other than a settlor, that is required to distribute part or all of the income or principal of the first trust to one or more current beneficiaries.

D. "Special-needs trust" means a trust the trustee believes would not be considered a resource for purposes of determining whether a beneficiary with a disability is eligible for governmental benefits.

2. Special-needs decanting. A special-needs fiduciary may exercise the decanting power under section 1210 over the principal of a first trust as if the fiduciary had authority to distribute principal to a beneficiary with a disability subject to expanded distributive discretion if:

A. A 2nd trust is a special-needs trust that benefits the beneficiary with a disability; and

B. The special-needs fiduciary determines that exercise of the decanting power will further the purposes of the first trust.

3. Beneficiary with a disability. In an exercise of the decanting power under this section, the following apply:

A. Notwithstanding section 1210, subsection 3, paragraph B, the interest in the 2nd trust of a beneficiary with a disability may:

(1) Be a pooled trust as defined under the federal Medicaid program for the benefit of the beneficiary with a disability under 42 United States Code, Section 1396p(d)(4)(C); or

(2) Contain payback provisions complying with reimbursement requirements under the federal Medicaid program under 42 United States Code, Section 1396p(d)(4)(A);

B. Section 1210, subsection 3, paragraph C does not apply to the interests of a beneficiary with a disability; and

C. Except as affected by any change to the interests of a beneficiary with a disability, the 2nd trust or, if there are 2 or more 2nd trusts, the 2nd trusts in the aggregate must grant each other beneficiary of the first trust beneficial interests in the 2nd trusts that are substantially similar to the beneficiary's beneficial interests in the first trust.

§1213. Protection of charitable interest

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Determinable charitable interest" means a charitable interest that is a right to a mandatory distribution currently, periodically, on the occurrence of a specified event or after the passage of a specified time period and that is unconditional or will be held solely for charitable purposes.

B. "Unconditional" means not subject to the occurrence of a specified event that is not certain to occur, other than a requirement in a trust instrument that a charitable organization be in existence or qualify under a particular provision of the United States Internal Revenue Code of 1986 on the date of the distribution, if the charitable organization meets the requirement on the date of determination.

2. Determinable charitable interest; Attorney General may represent and bind. If a first trust contains a determinable charitable interest, for purposes of

this section, the Attorney General has the rights of a qualified beneficiary and may represent and bind the determinable charitable interest.

3. Limitation on 2nd trusts. If a first trust contains a determinable charitable interest, the 2nd trust or trusts may not:

- A. Diminish the determinable charitable interest;
- B. Diminish the interest of an identified charitable organization that holds the determinable charitable interest;
- C. Alter any charitable purpose stated in the first-trust instrument; or
- D. Alter any condition or restriction related to the determinable charitable interest.

4. Treatment of 2 or more 2nd trusts. If there are 2 or more 2nd trusts, the 2nd trusts must be treated as one trust for purposes of determining whether the exercise of the decanting power diminishes the determinable charitable interest or diminishes the interest of an identified charitable organization for purposes of subsection 3.

5. State law applicable; exceptions. If a first trust contains a determinable charitable interest, a 2nd trust or trusts that include a determinable charitable interest pursuant to subsection 3 must be administered under the law of this State unless:

- A. The Attorney General, after receiving notice under section 1207, does not object in a signed record delivered to the authorized fiduciary within the notice period;
- B. The Attorney General consents in a signed record to the 2nd trust or trusts being administered under the law of another jurisdiction; or
- C. The court approves the exercise of the decanting power.

6. Attorney General's powers and duties not limited. This Act does not limit the powers and duties of the Attorney General under a law of this State other than this Act.

§1214. Trust limitation on decanting

1. Decanting power prohibited. An authorized fiduciary may not exercise the decanting power to the extent the first-trust instrument expressly prohibits exercise of:

- A. The decanting power; or
- B. A power granted by state law to the authorized fiduciary to distribute part or all of the principal of the trust to another trust or to modify the trust.

2. Decanting power restricted. Exercise of the decanting power is subject to any restriction in the first-trust instrument that expressly applies to exercise of:

- A. The decanting power; or
- B. A power granted by state law to an authorized fiduciary to distribute part or all of the principal of the trust to another trust or to modify the trust.

3. Decanting power not precluded. A general prohibition on amendment or revocation of a first trust, a spendthrift provision or a clause restraining the voluntary or involuntary transfer of a beneficiary's interest does not preclude exercise of the decanting power.

4. First trust permits modification or distribution. Subject to subsections 1 and 2, an authorized fiduciary may exercise the decanting power pursuant to this Act even if the first-trust instrument permits the authorized fiduciary or another person to modify the first-trust instrument or to distribute part or all of the principal of the first trust to another trust.

5. Express prohibition or restriction included in 2nd trust. If a first-trust instrument contains an express prohibition described in subsection 1 or an express restriction described in subsection 2, the provision must be included in the 2nd-trust instrument.

§1215. Change in compensation

1. Compensation specified. If a first-trust instrument specifies an authorized fiduciary's compensation, the authorized fiduciary may not exercise the decanting power to increase the authorized fiduciary's compensation above the specified compensation unless:

- A. All qualified beneficiaries of the 2nd trust consent to the increase in a signed record; or
- B. The increase is approved by the court.

2. Compensation not specified. If a first-trust instrument does not specify an authorized fiduciary's compensation, the authorized fiduciary may not exercise the decanting power to increase the authorized fiduciary's compensation above the compensation permitted by this Part unless:

- A. All qualified beneficiaries of the 2nd trust consent to the increase in a signed record; or
- B. The increase is approved by the court.

3. Change in compensation incidental. A change in an authorized fiduciary's compensation that is incidental to other changes made by the exercise of the decanting power is not an increase in the authorized fiduciary's compensation for purposes of subsections 1 and 2.

§1216. Relief from liability and indemnification

1. Liability for breach of trust. Except as otherwise provided in this section, a 2nd-trust instrument may not relieve an authorized fiduciary from liability for breach of trust to a greater extent than the first-trust instrument does.

2. Indemnification for claim otherwise payable. A 2nd-trust instrument may provide for indemnification of an authorized fiduciary of the first trust or another person acting in a fiduciary capacity under the first trust for any liability or claim that would have been payable from the first trust if the decanting power had not been exercised.

3. No reduction in liability in aggregate. A 2nd-trust instrument may not reduce fiduciary liability in the aggregate.

4. Division and reallocation of fiduciary powers; relief from fiduciary liability. Subject to subsection 3, a 2nd-trust instrument may divide and reallocate fiduciary powers among fiduciaries, including one or more trustees, distribution advisors, investment advisors, trust protectors or other persons, and relieve a fiduciary from liability for an act or failure to act of another fiduciary as permitted by a law of this State other than this Act.

§1217. Removal or replacement of authorized fiduciary

An authorized fiduciary may not exercise the decanting power to modify a provision in a first-trust instrument granting another person power to remove or replace the authorized fiduciary unless:

1. Person holding power consents. The person holding the power to remove or replace the authorized fiduciary consents to the modification in a signed record and the modification applies only to the person;

2. Person holding power and qualified beneficiaries consent. The person holding the power to remove or replace the authorized fiduciary and the qualified beneficiaries of the 2nd trust consent to the modification in a signed record and the modification grants a substantially similar power to another person; or

3. Court approves. The court approves the modification and the modification grants a substantially similar power to remove or replace the authorized fiduciary to another person.

§1218. Tax-related limitations

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Grantor trust" means a trust as to which a settlor of a first trust is considered the owner under 26 United States Code, Sections 671 to 677 or 26 United States Code, Section 679.

B. "Internal Revenue Code" means the United States Internal Revenue Code of 1986.

C. "Nongrantor trust" means a trust that is not a grantor trust.

D. "Qualified benefits property" means property subject to the minimum distribution requirements

of 26 United States Code, Section 401(a)(9), and any applicable regulations, or to any similar requirements that refer to 26 United States Code, Section 401(a)(9) or an applicable regulation.

2. Limitations on decanting power. An exercise of the decanting power is subject to the following limitations:

A. If a first trust contains property that qualified, or would have qualified but for provisions of this Act other than this section, for a marital deduction for purposes of the gift or estate tax under the Internal Revenue Code or a state gift, estate or inheritance tax, the 2nd-trust instrument must not include or omit any term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying for the deduction, or would have reduced the amount of the deduction, under the same provisions of the Internal Revenue Code or state law under which the transfer qualified.

B. If the first trust contains property that qualified, or would have qualified but for provisions of this Act other than this section, for a charitable deduction for purposes of the income, gift or estate tax under the Internal Revenue Code or a state income, gift, estate or inheritance tax, the 2nd-trust instrument may not include or omit any term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying for the deduction, or would have reduced the amount of the deduction, under the same provisions of the Internal Revenue Code or state law under which the transfer qualified.

C. If the first trust contains property that qualified, or would have qualified but for provisions of this Act other than this section, for the exclusion from the gift tax described in 26 United States Code, Section 2503(b), the 2nd-trust instrument may not include or omit a term that, if included in or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying under 26 United States Code, Section 2503(b). If the first trust contains property that qualified, or would have qualified but for provisions of this Act other than this section, for the exclusion from the gift tax described in 26 United States Code, Section 2503(b) by application of 26 United States Code, Section 2503(c), the 2nd-trust instrument may not include or omit a term that, if included or omitted from the trust instrument for the trust to which the property was transferred, would have prevented the transfer from qualifying under 26 United States Code, Section 2503(c).

D. If the property of the first trust includes shares of stock in an S corporation, as defined in 26 United States Code, Section 1361 and the first trust is, or but for provisions of this Act other than this section would be, a permitted shareholder under any provision of 26 United States Code, Section 1361, an authorized fiduciary may exercise the power with respect to part or all of the S corporation stock only if any 2nd trust receiving the stock is a permitted shareholder under 26 United States Code, Section 1361(c)(2). If the property of the first trust includes shares of stock in an S corporation and the first trust is, or but for provisions of this Act other than this section would be, a qualified subchapter S trust within the meaning of 26 United States Code, Section 1361(d), the 2nd-trust instrument may not include or omit a term that, if included or omitted, would have the effect of preventing the 2nd trust from qualifying as a qualified subchapter S trust.

E. If the first trust contains property that qualified, or would have qualified but for provisions of this Act other than this section, for an inclusion ratio of zero for purposes of the generation-skipping transfer tax under 26 United States Code, Section 2642(c), the 2nd-trust instrument may not include or omit a term that, if included in or omitted from the first-trust instrument, would have prevented the transfer to the first trust from qualifying for an inclusion ratio of zero under 26 United States Code, Section 2642(c).

F. If the first trust is directly or indirectly the beneficiary of qualified benefits property, the 2nd-trust instrument may not include or omit any term that, if included in or omitted from the first-trust instrument, would have increased the minimum distributions required with respect to the qualified benefits property under 26 United States Code, Section 401(a)(9) and any applicable regulations, or any similar requirements that refer to 26 United States Code, Section 401(a)(9) or an applicable regulation. If an attempted exercise of the decanting power violates the preceding sentence, the trustee is deemed to have held the qualified benefits property and any reinvested distributions of the property as a separate share from the date of the exercise of the power, and section 1221 applies to the separate share.

G. If the first trust qualifies as a grantor trust because of the application of 26 United States Code, Section 672(f)(2)(A), the 2nd trust may not include or omit a term that, if included in or omitted from the first-trust instrument, would have prevented the first trust from qualifying under 26 United States Code, Section 672(f)(2)(A).

H. Subject to paragraph I, a 2nd-trust instrument may not include or omit a term that, if included in

or omitted from the first-trust instrument, would have prevented qualification for a tax benefit if:

(1) The first-trust instrument expressly indicates an intent to qualify for the tax benefit or the first-trust instrument clearly is designed to enable the first trust to qualify for the tax benefit; and

(2) The transfer of property held by the first trust, or the first trust, qualified, or but for provisions of this Act other than this section would have qualified, for the tax benefit.

For the purposes of this paragraph, "tax benefit" means a federal or state tax deduction, exemption, exclusion or other benefit not otherwise listed in this section, except for a benefit arising from being a grantor trust.

I. Subject to paragraph D:

(1) Except as otherwise provided in paragraph H, the 2nd trust may be a nongrantor trust, even if the first trust is a grantor trust; and

(2) Except as otherwise provided in paragraph J, the 2nd trust may be a grantor trust, even if the first trust is a nongrantor trust.

J. An authorized fiduciary may not exercise the decanting power if a settlor objects in a signed record delivered to the authorized fiduciary within the notice period under section 1207 and:

(1) The first trust and a 2nd trust are both grantor trusts, in whole or in part, the first trust grants the settlor or another person the power to cause the first trust to cease to be a grantor trust and the 2nd trust does not grant an equivalent power to the settlor or other person; or

(2) The first trust is a nongrantor trust and a 2nd trust is a grantor trust, in whole or in part, with respect to the settlor, unless:

(a) The settlor has the power at all times to cause the 2nd trust to cease to be a grantor trust; or

(b) The first-trust instrument contains a provision granting the settlor or another person a power that would cause the first trust to cease to be a grantor trust and the 2nd-trust instrument contains the same provision.

§1219. Duration of 2nd trust

1. Duration. Subject to subsection 2, a 2nd trust may have a duration that is the same as or different from the duration of the first trust.

2. Rules applicable to property. To the extent that property of a 2nd trust is attributable to property of the first trust, the property of the 2nd trust is subject to

any rules governing maximum perpetuity, accumulation or suspension of the power of alienation that apply to property of the first trust.

§1220. Need to distribute not required

An authorized fiduciary may exercise the decanting power whether or not, under the first trust's discretionary distribution standard, the authorized fiduciary would have made or could have been compelled to make a discretionary distribution of principal at the time of the exercise.

§1221. Savings provision

1. Second-trust instrument in part not in compliance. If exercise of the decanting power would be effective under this Act except for the 2nd-trust instrument's partial noncompliance with this Act, the exercise of the decanting power is effective and the following applies with respect to the principal of the 2nd trust attributable to the exercise of the decanting power:

A. A provision in the 2nd-trust instrument that is not permitted under this Act is void to the extent necessary to comply with this Act; and

B. A provision required by this Act to be in the 2nd-trust instrument that is not contained in the instrument is deemed to be included in the instrument to the extent necessary to comply with this Act.

2. Fiduciary action. If a trustee or other fiduciary of a 2nd trust determines that subsection 1 applies to a prior exercise of the decanting power, the fiduciary shall take corrective action consistent with the fiduciary's duties.

§1222. Trust for care of animal

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Animal trust" means a trust or an interest in a trust created to provide for the care of one or more animals.

B. "Protector" means a person appointed in an animal trust to enforce the trust on behalf of the animal or, if no such person is appointed in the trust, a person appointed by the court for that purpose.

2. Consent of protector. The decanting power may be exercised over an animal trust that has a protector to the extent the trust could be decanted under this Act if each animal that benefits from the trust were an individual, if the protector consents in a signed record to the exercise of the power.

3. Rights of qualified beneficiary. A protector for an animal has the rights under this Act of a qualified beneficiary.

4. Time period first trust benefited animal. Notwithstanding any provision of this Act to the contrary,

if a first trust is an animal trust, in an exercise of the decanting power, the 2nd trust must provide that trust property may be applied only for its intended purpose for the time period the first trust benefited the animal.

§1223. Terms of 2nd trust

A reference in this Title to a trust instrument or terms of the trust includes a 2nd-trust instrument and the terms of the 2nd trust.

§1224. Settlor

1. Settlor of first trust is settlor of 2nd trust. For purposes of the law of this State other than this Act and subject to subsection 2, a settlor of a first trust is deemed to be the settlor of the 2nd trust with respect to the portion of the principal of the first trust subject to the exercise of the decanting power.

2. Consideration of intent. In determining settlor intent with respect to a 2nd trust, the intent of a settlor of the first trust, a settlor of the 2nd trust and the authorized fiduciary may be considered.

§1225. Later-discovered property

1. Distribution of all principal of first trust. Except as otherwise provided in subsection 3, if exercise of the decanting power was intended to distribute all the principal of the first trust to one or more 2nd trusts, later-discovered property belonging to the first trust and property paid to or acquired by the first trust after the exercise of the decanting power is part of the trust estate of the 2nd trust or trusts.

2. Distribution of less than all principal of first trust. Except as otherwise provided in subsection 3, if exercise of the decanting power was intended to distribute less than all the principal of the first trust to one or more 2nd trusts, later-discovered property belonging to the first trust or property paid to or acquired by the first trust after exercise of the decanting power remains part of the trust estate of the first trust.

3. Disposition by fiduciary. An authorized fiduciary may provide in an exercise of the decanting power or by the terms of a 2nd trust for disposition of later-discovered property belonging to the first trust or property paid to or acquired by the first trust after the exercise of the decanting power.

§1226. Obligations

A debt, liability or other obligation enforceable against property of a first trust is enforceable to the same extent against the property when held by the 2nd trust after exercise of the decanting power.

§1227. Uniformity of application and construction

In applying and construing this Act, consideration must be given to the need to promote uniformity of the law with respect to its subject matter among states that enact it.

§1228. Relation to Electronic Signatures in Global and National Commerce Act

This Act modifies, limits or supersedes the Electronic Signatures in Global and National Commerce Act, 15 United States Code, Section 7001 et seq., but does not modify, limit or supersede 15 United States Code, Section 7001(c), or authorize electronic delivery of any of the notices described in 15 United States Code, Section 7003(b).

§1229. Effective date

This Act takes effect October 1, 2021.

See title page for effective date.

An Act To Allow Microgrids That Are in the Public Interest

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 35-A MRSA §120, sub-§6, as enacted by PL 2009, c. 122, §10, is amended to read:

6. Significant developments. Any significant developments in the utility sectors or other areas of commission oversight; ~~and~~

Sec. 2. 35-A MRSA §120, sub-§6-A is enacted to read:

6-A. Microgrids. Beginning February 1, 2025, any activities undertaken by the commission related to new microgrids as defined in section 3351, subsection 1, paragraph B, including whether any new microgrids have been approved; and

Sec. 3. 35-A MRSA §2305-B, sub-§1, as enacted by PL 2001, c. 110, §2, is amended to read:

1. Transmission and distribution utilities; microgrids. A transmission and distribution utility or a person that constructs, maintains or operates a new microgrid approved in accordance with section 3351, subsection 3 may construct and maintain its lines in, upon, along, over, across or under the roads and streets in any municipality in which it is authorized to supply electricity, subject to the conditions and restrictions provided in this chapter and chapter 25.

construct or maintain electric lines, including poles or other related structures, in, upon, along, over, across or under a road, street or other public way unless:

A. The person satisfies the requirements of section 2503;

If a public utility objects to the line on the basis that it may constitute a duplication of existing transmission or distribution facilities or may interfere with the adequate and safe delivery of electricity to others, the commission issues a finding that the line is not a duplication of existing transmission or distribution facilities and does not interfere with the adequate and safe delivery of electricity to others. A finding is not required under this paragraph unless a public utility has objected in writing to the applicable licensing authority.

Sec. 5. 35-A MRSA c. 33-A is enacted to read:

CHAPTER 33-A

MICROGRIDS

§3351. Microgrids

1. Definitions. As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

A. "Distributed energy resources" means small-scale electrical generation sources located close to where the generated electricity is used, energy storage resources, energy efficiency resources or demand response resources.

B. "New microgrid" means a group of interconnected loads and distributed energy resources within clearly defined electrical boundaries that acts as a single controllable entity with respect to the electric grid and can connect and disconnect from the electric grid to enable the new microgrid to operate in both electric grid-connected mode and nongrid-connected mode, referred to in this chapter as "island mode," and that is constructed after October 1, 2020.

2. Microgrids, public utility exception. Notwithstanding section 2102 or any other provision of this
