If the school administrative unit's most recent state share percentage is less than the statewide state share percentage under section 15671, subsection 1, paragraph B, then the adjustment amount is equal to the most recent state share percentage.

D. A school administrative unit may expend the funds from the adjustment under paragraph A without seeking approval of the school administrative unit's legislative body.

1. Program established. The Cub Care program is established to provide health coverage for low-income children who are ineligible for benefits under the Medicaid program and who meet the requirements of subsection 2 or 2-A. The purpose of the Cub Care program is to provide health coverage to as many children as possible within the fiscal constraints of the program budget and without forfeiting any federal funding that is available to the State for the State Children's Health Insurance Program through the federal Balanced Budget Act of 1997, Public Law 105-33, 111 Stat. 251, referred to in this section as the Balanced Budget Act of 1997.

A. The maximum eligibility level, subject to adjustment by the commissioner under paragraph B, is ~~200%~~ 300% of the nonfarm income official poverty line.

B. If the commissioner has determined the fiscal status of the Cub Care program under subsection 8 and has determined that an adjustment in the maximum eligibility level is required under this paragraph, the commissioner shall adjust the maximum eligibility level in accordance with the requirements of this paragraph.

(1) The adjustment must accomplish the purposes of the Cub Care program set forth in subsection 1.

(2) Children of higher family income may not be covered unless children of lower family income are also covered. This subparagraph may not be applied to disqualify a child during the 12-month enrollment period. E. Coverage under the Cub Care program may be purchased for children described in subparagraphs (1) and (2) for a period of up to 18 months as provided in this paragraph at a premium level that is revenue neutral and that covers the cost of the benefit and a contribution toward administrative costs no greater than the maximum level allowable under COBRA. If a premium is not paid by the end of the grace period, coverage must be terminated unless the department has determined that waiver of premium is appropriate under paragraph D. The grace period is determined according to this paragraph.~~

- ~~(1) If nonpayment is for the first, 2nd, 3rd, 4th or 5th month of the 6 month enrollment period, the grace period is equal to the remainder of the 6 month enrollment period.~~

An Act To Allow Internet Payment for Tickets and Chances for Raffles Held by Nonprofit Organizations and Other Eligible Organizations and To Require the Gambling Control Unit To Adopt Certain Rules

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, eligible nonprofit organizations in the State rely on fund-raising to meet their charitable goals; and

Whereas, the COVID-19 pandemic has severely restricted the ability of eligible nonprofit organizations to effectively raise funds, which has directly led to a reduction in charitable giving; and

Whereas, allowing eligible nonprofit organizations to modernize their fund-raising process is needed and will increase charitable giving across the State, especially during the summer tourist season; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,

Be it enacted by the People of the State of Maine as follows:
