See title page for effective date.

CHAPTER 28

H.P. 693 - L.D. 937

Resolve, To Direct the Department of Agriculture, Conservation and Forestry and the Department of Inland Fisheries and Wildlife To Jointly Develop Recommendations Regarding Carbon Storage Programs and Policies

Sec. 1. Department of Agriculture, Conservation and Forestry and Department of Inland Fisheries and Wildlife to develop recommendations regarding carbon storage programs and policies. Resolved: That the Department of Agriculture, Conservation and Forestry and the Department of Inland Fisheries and Wildlife shall jointly develop recommendations for the establishment of programs and policies to promote and incentivize, where appropriate, practices that increase sequestration of soil carbon on natural and working lands by farmers, landowners and land managers, including, but not limited to, technical assistance and financial incentives for that purpose. The departments shall consult with stakeholders with expertise on carbon storage programs, agriculture, forestry, land management and economic incentives for

carbon storage and with members of the Maine Climate Council's working lands working group established pursuant to the Maine Revised Statutes, Title 38, section 577-A, subsection 7, paragraph D.

Sec. 2. Reports regarding carbon storage programs and policies. Resolved: That, on or before March 1, 2022, the departments under section 1 shall submit an interim report with findings and recommendations to the Joint Standing Committee on Agriculture, Conservation and Forestry, and the joint standing committee may submit a bill to the 130th Legislature relating to the subject matter of the interim report. On or before September 1, 2022, the departments shall submit a final report with findings and recommendations to the joint standing committee of the Legislature having jurisdiction over agricultural, conservation and forestry matters, and the joint standing committee may submit a bill to the First Regular Session of the 131st Legislature relating to the subject matter of the report.

See title page for effective date.

CHAPTER 29

H.P. 962 - L.D. 1306

Resolve, To Facilitate the Inclusion of Crisis Response Services in Emergency Services Offered through the E-9-1-1 System

Sec. 1. Emergency Services Communications Bureau; report. Resolved: That, in consultation with the Department of Public Safety, the E-9-1-1 Council, established in the Maine Revised Statutes, Title 5, section 12004-I, subsection 74-A, crisis response services providers and other stakeholders, the Public Utilities Commission, Emergency Services Communications Bureau shall research and review protocols and procedures necessary to ensure the delivery of crisis response services under the State's E-9-1-1 system. On or before February 1, 2022, the Emergency Services Communications Bureau shall submit a report to the Joint Standing Committee on Energy, Utilities and Technology outlining protocols and procedures necessary to ensure the delivery of crisis response services under the State's E-9-1-1 system and including any recommendations, including proposed legislation, necessary to implement such protocols and procedures. The report under this section may also include measures for the training of dispatch staff in the provision of crisis response services. After reviewing the report, the joint standing committee may report out related legislation to the 130th Legislature.

As used in this section, "crisis response services" means services offered to individuals experiencing mental health emergencies, emergencies relating to substance use disorder or other emergencies for which fire,
