**CHAPTER 146
H.P. 1392 - L.D. 1882**

**Resolve, Directing the
Department of Health and
Human Services To Review the
Requirements for Certification
of Micropigmentation
Practitioners**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, cosmetology training schools and institutes are not offering training in micropigmentation in the State and this has resulted in few opportunities for licensure under the current rules; and

Whereas, this resolve is necessary to create opportunities for employment in the area of micropigmentation; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore, be it

Sec. 1. Evaluation. Resolved: That the Department of Health and Human Services shall review and evaluate the training and board certification requirements for engaging in the practice of micropigmentation. The review and evaluation must address how to increase access to the field of micropigmentation, including by reducing the number of training hours required under the Maine Revised Statutes, Title 32, section 4313. By November 2, 2022, the department shall submit a report to the joint standing committee of the Legislature having jurisdiction over health and human services matters regarding the results of the review and evaluation. The joint standing committee may report out a bill to the First Regular Session of the 131st Legislature based on the report.

Emergency clause. In view of the emergency cited in the preamble, this legislation takes effect when approved.

Effective April 10, 2022.

**CHAPTER 147
H.P. 462 - L.D. 626**

**Resolve, To Direct the
Department of Agriculture,
Conservation and Forestry To
Develop Recommendations
Regarding Nonwater-
dependent Floating Structures
on Maine's Waters**

Sec. 1. Department of Agriculture, Conservation and Forestry to develop recommendations regarding nonwater-dependent floating structures on the State's waters. Resolved: That the Department of Agriculture, Conservation and Forestry shall establish an interagency working group to develop recommendations, including suggested legislation, to define and regulate nonwater-dependent floating structures on coastal and inland waters. The department shall consult with the Department of Inland Fisheries and Wildlife and other state and federal agencies as needed and seek input from a statewide municipal association and a statewide harbor masters association that represents Maine harbor masters. The department shall submit a report with findings and recommendations, including suggested legislation, to the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters no later than January 1, 2024. The joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters may submit a bill to the Second Regular Session of the 131st Legislature based on the subject matter of the report.

See title page for effective date.

**CHAPTER 148
S.P. 739 - L.D. 2028**

**Resolve, Directing the Family
Law Advisory Commission To
Develop Options To Improve
Preliminary Injunctions in
Judicial Separation and
Divorce Actions**

Sec. 1. Preliminary injunctions in judicial separation and divorce actions. Resolved: That the Family Law Advisory Commission, as established in the Maine Revised Statutes, Title 5, section 12004-I, subsection 52-A, shall review the elements of preliminary injunctions in judicial separation and divorce actions in Title 19-A and in the statutes of other states to analyze appropriate elements and when they should be applied. The commission shall develop options for improving preliminary injunctions in judicial separation
