**CHAPTER 6
S.P. 50 - L.D. 83**

**An Act to Clarify State Policy
Regarding Cannabis
Paraphernalia in the Maine
Medical Use of Cannabis Act
and the Cannabis Legalization
Act**

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, in October 2022, the Department of Administrative and Financial Services, Office of Cannabis Policy notified medical use of cannabis registrants and adult use cannabis licensees that they must obtain a retail tobacco license in order to sell or give away certain items used to inhale, ingest or otherwise consume cannabis; and

Whereas, on November 16, 2022, the Attorney General issued a memorandum stating that the Office of the Attorney General would not bring action against any medical use of cannabis registrant or adult use cannabis licensee for selling or providing cannabis rolled for smoking without a retail tobacco license and urging the Legislature to clarify in statute that a retail tobacco license is not required for a medical use of cannabis registrant or adult use cannabis licensee to sell or give away certain items used to inhale, ingest or otherwise consume cannabis; and

Whereas, until statutory clarity is provided, the cannabis industry will face economic and regulatory

uncertainty and the state agencies regulating this industry will not be able to oversee the industry in an efficient or effective manner; and
